HARMONY

Rotary Rajmahal Vilas Bulletin • Club No. 31297 • RI District 3190

Vol 24 - Issue 13 30th June 2020

Presidents note

Dear Rotarians,

It is said that 7 is the number of completeness and perfection. Like the 7 colors, 7 sound notes, 7 directions, 7 days, it is also said that number 7 derives its meaning from being tied directly to God's creation of all things. Environment has always been a subject close to the heart of our members and year after year we are taking up projects in support of Environment. From last year's Kotinati launch to this year's lake rejuvenation our club has pioneered in the district through its projects supporting environment. It is indeed a proud moment for me, being at the helm of our club affairs, when the Rotary International and the Rotary Foundation have made a declaration to support environment as 7th focus area of service and commemorating the same we were able to create a RAJVANA, around the lake where the rejuvenation work is in progress.

As an outgoing President of this illustrious club I would like to say that with the declaration of Environment as Rotary's 7 th Area of Focus, standing at the threshold of entering the silver jubilee anniversary of our club, we now have more work to do than ever before as Rotarians. Looking forward to your continuous support to Environment, let us continue to stay connected to conserve!

- Rtn. Sanjay Krishna

Rotary Peace Fellowship 2020

4th June, 2020

Connecting for Peace: The month started with a joint meeting of all the Rotary Clubs of District 3190, celebrating the Rotary Fellowship Month. It was a unique initiative on a digital platform by all the Rotary Clubs of District 3190. The meeting was graced by speaker Dr.Spurana H G, the recipient of the Rotary Peace Award, 2020, who narrated her experience and learning, from the Rotary Peace Centre in Thailand during her course.

On the occasion of the World Environment day, Rotary India Environment Mission conducted a Web conference on world environment day in which our club members also participated in good numbers.

Club Assembly

5th June, 2020

As the year drew to an end, we had the incoming team gearing up to take on the next year with enthusiastic zeal and earnest, and they presented their plans, committees and budget for club for the Rotary Year 2020-21. It was accepted by all present and wished the new team the best for their year.

ICGF - Community Service Vybhava

The biggest and generally considered the largely anticipated ICGF of the year for the community Service turned virtual, adapting to the times. The keynote speaker was Dr. Veerendra Heggade and the Special Guest of Honour was the actor and director, Mr. Upendra. The achievements of all the clubs were showcased and the clubs efforts for CoVID relief was lauded as one of the top 25 clubs in District 3190 for the Covid-19 grocery distribution and relief work.

Club Orientation Program

12th June, 2020

As an initiative of the outgoing and incoming teams, we had a special meeting, where experienced members of the club addressed the club in a Club Orientation Program, facilitated by our incoming Club Training Co-ordinator, PP Rtn. Rajaram Krishnamurthy. It was much appreciated and helped newer members orient themselves to the club.

38 Dazzler Presidents and clubs from District 3190 came together to jointly conduct community service projects, and provide free medical aid to benefit more than 2000 persons in need. Our club equally contributed through independently conducted Blood Donation camp and tree plantation - around Koira Lake in addition to group contribution all together at the cost of Rs. 65,000.

Joint Community Project - Valedictory Function

A valedictory function was held for the 38 clubs who came together for the Joint Community service project. Our President and Secretary were hounoured on behalf on the club for the efforts.

Building a Vibrant Club

21st June, 2020

Apart from the club orientation program held by our club members, we also had trainers from the District 3190 to train all members of the club to help build a Vibrant Club for the future. The session was headed by PP Rtn. Satish Madhavan, Rtn. Suresh Warrier and PP Rtn. Uday Bhaskar and PP Rtn. Radhakrishna - who presented the Basics of Rotary, the building blocks of a Vibrant club, the vision, relationships and project management pertaining to the clubs success. It was a much applauded session and we are sure it had an impact on our member Rotarains and Rotaractors who attended.

The signature Service project of the club for the year 2019-20 namely, the Rejuvenation of the Koira lake at the foothills of Nandi, Arkavathy catchment area in Devanahalli, despite the times and lockdown, with the unrelenting support of the RCC the project remained active and plenty of development work took place. 3 sides ring bund has been formed, de-silting work is taking place along with work on feeder channels

We were also fortunate to have various visitors from several cubs from the district on the 366th day of the year to plant 100 saplings in the area that was reserved for afforestation.

It's been hearting to see the progress, support and inspiration this project has received. That said the journey is going to be long and we will continue to need support. The club appeals to all the members raise funds to continue and support the future of this project and the sustainability of our ecosystem and for providing clean water to the community.

In the News! June, 2020

During the progress of the Lake rejuvenation project, the efforts undertaken caught the eye of the press and was covered in the local newpapers -Vishwavani & Prajavani.

COVID Relief Distribution

June, 2020

As a part of the CoVID relief efforts the club sponsored masks for SSIC exam going students alongwith the district, at work places masks and shields bearing the club logo were distributed across the city and in the RMV area. This was in an effort to keep the city and its citizens safe as well as for the public image of the club. That apart shields and masks were as distributed to the forest department staff and the staff of Jungle lodges & resorts in Kabini.

Rotary's first-ever virtual convention attracted more than 60,000 registrants and 175,000 viewers during its weeklong program. The robust participation showed that Rotary members are finding ways to experience fellowship and fun, key parts of Rotary's annual international convention, despite the COVID-19 pandemic that forced the cancellation of the in-person convention planned for Honolulu, Hawaii, USA, this year.

RI President Mark Daniel Maloney acknowledged that canceling the convention in Honolulu was a difficult decision but said he was inspired by how members worldwide have stayed connected, adapted to their changing circumstances, and helped those in need during the crisis. We all have a better understanding of growing Rotary by extending our reach beyond regular meetings.

In a reflection of that fact that the environment is increasingly important cause to Rotary's members, just after the convention, Rotary announced that it had adopted supporting the environment as one of its areas of focus.

Thanksgiving

26th June, 2020

Endings are always a time for gratitude. After year filled with activities, fun & frolic, it was time to reflect on the year gone by. Though the times did not allow us to meet in person, we ventured on virtually.

Members of the club shared their experiences, followed by recapping the events of the year gone by. This was followed by messages from our Assistant Governor Rtn. Raguram, The District Secretary Rtn. Harshavardhan and District Secretary General Rtn. Vijay Tadimalla. The President Rtn. Sanjay Krishna rendered a heartfelt and moving Thanksgiving message encapsulating the memories of the year gone by. The night ended with our DG Rtn. Dr. Sameer Hariani saying a few words, appreciating the clubs growth, our members and their involvement with the District and the projects undertaken at the club level.

The year began with the President in his acceptance speech, who said "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible." We can indisputably can say we lived up to that.

Total Contributions made by the club in the RY2019-20: **\$25,685** 72 Donors, Annual fund: \$21,471, PolioPlus Fund: \$4,213

- June 27th Eswaran & Lalitha's Wedding Anniversary

FACTS ABOUT ROTARY

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

From the Editors Desk

June being the last month of the Rotary year, we notice the process of handing over the baton to the incoming leaders. The year 2020-21 ended ceremoniously by the record contribution of over \$25K and a massive Joint Community Service project by the Dazzler Presidents and this is historic!!!

Kudos to the Rtn. Sanjay and his team. I wish all the best to the incoming President Rtn. Bharat and his team.

- Rtn. Rajesh Kunder Bulletin Editor
