Rotary Rajmahal Vilas Bulletin • Vol 24 - Issue 2 • 31st July 2019 • Club No. 31297 • RI District 3190

## Presidents note

Dear Friends,

A decade has passed by since I became a member of this illustrious club and a month since I took over as President! But it still feels like it's only a few months since I became a Rotarian. It is said that there is a difference between in being a Rotary member and in being a Rotarian. While paying timely subscription and other dues qualifies one to become a Rotary Member, participation in Rotary Projects and Programs, qualifies him/her to be called a Rotarian. Over a period of time I have realised the benefits of becoming a Rotarian. I feel connected...Connected with Rotarians, Rotary's Youth Brigade, with my community and last but not the least, connected to the World. I want each one of you to become Rotarians and share the benefit of connections by Growing Rotary. As August is a Membership month in Rotary, let's work towards growing Rotary by growing our membership and making them Rotarians.

## Dazzlers installation

30th June, 2019
