District Governor's Message

I would like to congratulate Rotary Rajmahal Vilas for completing 25 years of service. A true Rotarian is one who contributes to the community, especially during the times of need to make the world a better place. Your club's contribution in the last 25 years is notable and exemplary.

While the nation was under lockdown, our COVID warriors of 3190 were out on the streets providing - meals, dry ration, clothes, toiletries, masks, sanitisers and other essentials to the stranded and the needy. Your club's committed participation in the recovery and reconstruction of our society is undoubtedly appreciated.

More recently, your club's dedication to make the vaccination drive a safe and smooth process, helping patients find hospital beds and supplying medicines and essentials to Covid care centres is noteworthy.

Rotary Rajmahal Vilas is the only club in the district to bag the illustrious DULT-SuMA (Sustainable Mobility Accords) Urban Project to make transport in our city more sustainable and user-friendly.

I congratulate President Rtn. Bharath Asuri and all the members for this achievement.

I am proud to mention that RID 3190 was the first District in the entire world of Rotary to conduct full-fledged training programs online this year. I thank each one of you for your active participation in it.

Despite these challenging times, the team has put together a wonderful year. First lady Rtn. Meera Prasad and I wish you success in all your endeavours and assure you the best of our support.

Stay Safe,

Yours in Rotary,

Rtn. B.L. Nagendra Prasad
District Governor, 2020-21
R.I. District 3190

Assistant Governor's Message

Warm Greetings,

Twenty-five years of existence, twenty five years of service to society is truly a remarkable achievement. Rotary Rajmahal Vilas has reached this milestone with poise and grace.

Your club, over the years has carved a niche in the minds of the local community. Your projects speak volumes about your club's commitment to improve the quality of life of the people of your community. Every Past President of Rajmahal Vilas has done their duty with dedication and devotion. Each and every Rotarian of the club, over years has contributed to the success of Rajmahal Vilas.

I take pride in being the Assistant Governor of this esteemed club during its Silver Jubilee year and congratulate the Silver Jubilee President and all the Rotarians and their families for this great achievement. I also wish you a very bright future.

Regards,

Rtn.Shankar B

Assistant Governor, 2020-21

RI District 3190

Silver Jubilee President's Message

It gives me great pleasure to bring out this publication commemorating the Silver Jubilee of the club.

This year has been most challenging for the club due to Covid-19, an unexpected force majeure event. Despite that we have faced the situation head on and emerged successful. It has been a great journey over two and half decades, our club has grown from strength to strength.

I would like to acknowledge here with gratitude the part played by our Charter President, Rtn. S. K. Bajaj by founding this club of which he is still a member and is always available for guidance. I would also like to acknowledge the contribution of our Charter member, PP Rtn. Kirti Mehta for his continued support in all our endeavours. I am grateful to all the past presidents of this club for their services to the club over the years, thereby bringing it to this stature.

Last but not the least to all our great members who make this club what it is, a wonderful place with opportunities for service, fellowship and fun. I am deeply grateful to all the major financial contributors over the years who have helped us to do many club projects.

I thank PP Rtn. Dr. Anita Shah for leading the team to bring out this publication.

Today, I humbly stand on the shoulders of giants who have made the club what it is. God bless the Rotary Club of Rajmahal Vilas, its members and their families. May it continue to grow, succeed and prosper in the service of society.

Rtn. Bharath Asuri
Silver Jubilee President, 2020-21
Rotary Bangalore Rajmahal Vilas

Rotary International

Rotary is a global network of 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support peace efforts and end polio forever.

The 35,000+ clubs work together to work in:

- Promoting peace
- Fighting disease
- Providing clean water, sanitation, & hygiene
- Saving mothers and children
- Supporting education
- Growing local economies
- Protecting the environment

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Our Vision

Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

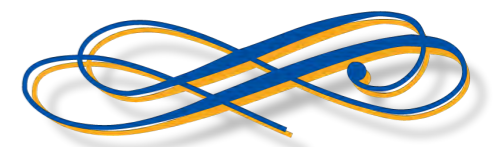

The Guiding Principles

These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the action we take in the world.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

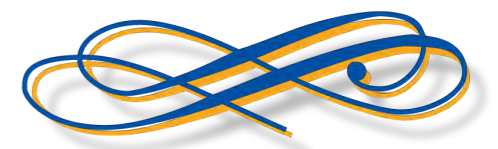

The Four-Way Test

The Four-Way Test is a non-partisan and non-sectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

OF THE THINGS WE THINK, SAY OR DO:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

The Rotary Foundation

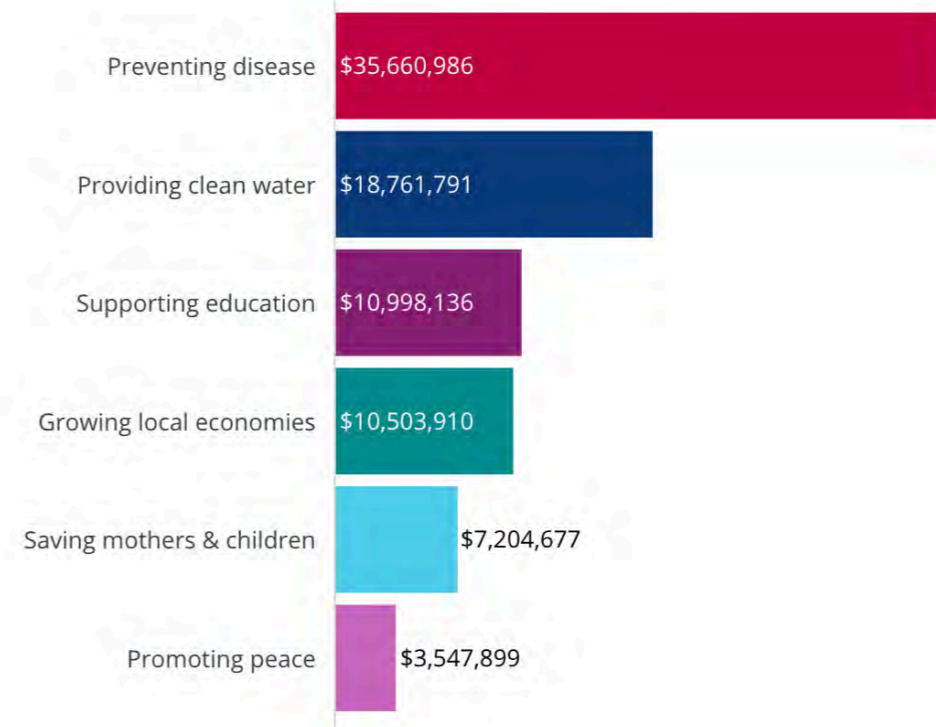

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. The foundation is a not-for-profit corporation, supported solely by voluntary contribution from Rotarians and friends of the foundation who share its vision of a better world. This support is essential to make Foundation grant-funded projects that bring sustainable improvement to communities in need.

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary- to do good in the world. It has grown from an initial contribution of USD \$26.50 to more than USD \$1 billion. It has one of the largest and most prestigious international fellowship programs in the world.

Foundation grants

The Foundation awarded \$86,677,399 in funding to 1,306 grants during fiscal year 2018. Here is a breakdown of causes the grants supported.

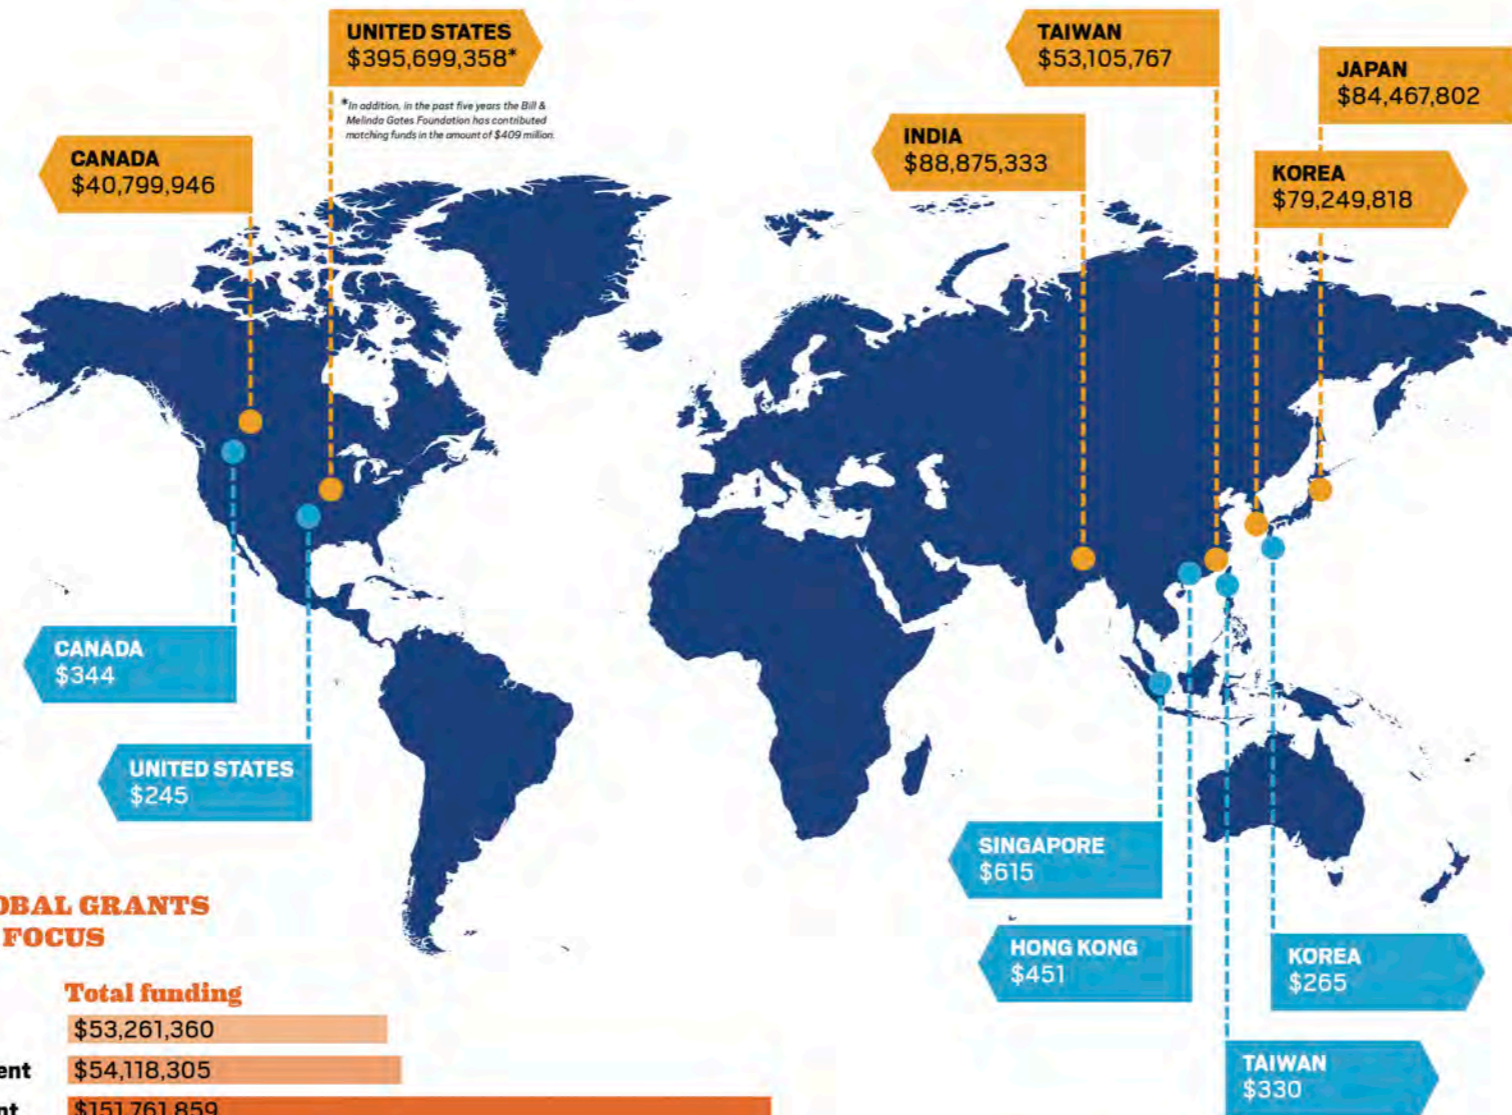

The Rotary Foundation

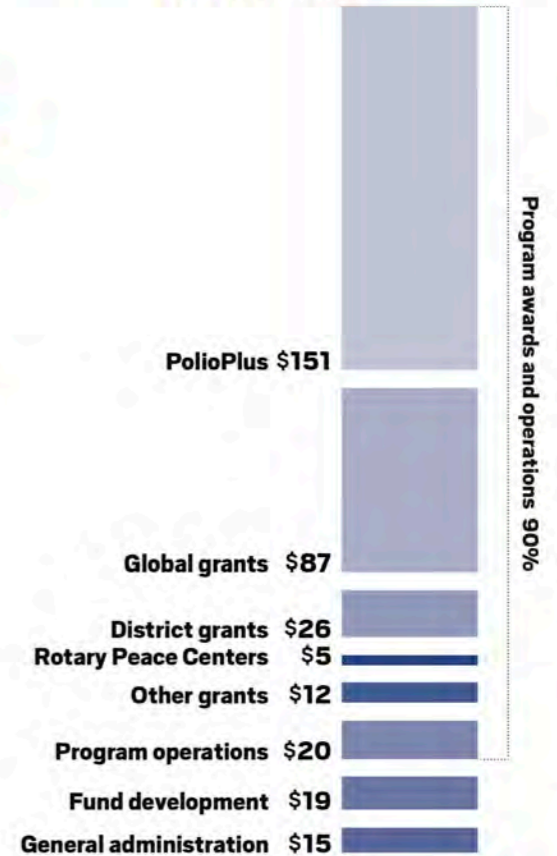

The Rotary Foundation is recognized as one of the most effective and well-managed charitable organizations in the world, with 12 consecutive four-star ratings from Charity Navigator and an A-plus rating from CharityWatch. We know that the Foundation is helping Rotarians do good in the world, but it can be difficult to convey the full scope of its work. So we've put together some figures from the past five years — 2014-15 through 2018-19 — to tell the story of the generosity of Rotarians and the good work that the Foundation supports. November is Rotary Foundation Month; to make a contribution, go to rotary.org/donate.

History of Rotary in India

The first Rotary club in India was installed in Calcutta in 1919-1920. R.J. Coombes, manager of a steel products company convened the first meeting on 26 September, 1919. The new club was chartered on 1st January 1920. All the twenty charter members were non-Indians.

The first Indian to be a Rotarian was Surendra Banerjee who was made honorary member of the club. This was followed by S. C. Rudra who became a full-fledged Rotarian with the classification of Mining Engineer. The first Indian to become the secretary was Nitish C. Laharry (1926). A.F.M. Abdul Ali was the first Indian to adorn the collar of a club president.

Jim Davidson, a Canadian formed the first Rotary club in Bombay and Madras in 1929. Rotary Club of Bombay which started with 38 members, became the largest Rotary Club in India. Sir Pheroze Sethna, a member of the Legislative Assembly was the only Indian in the club.

On 27th October 1934, the Rotary Club of Bangalore was chartered and was the seventh club in pre-Independence India.

By the time India became independent, there were 71 Rotary clubs (14 in Gujarat, 10 in Maharashtra, 10 in UP, 7 in Tamil Nadu, 7 in Karnataka and 23 in 10 other states) with a total membership of 3121 members.

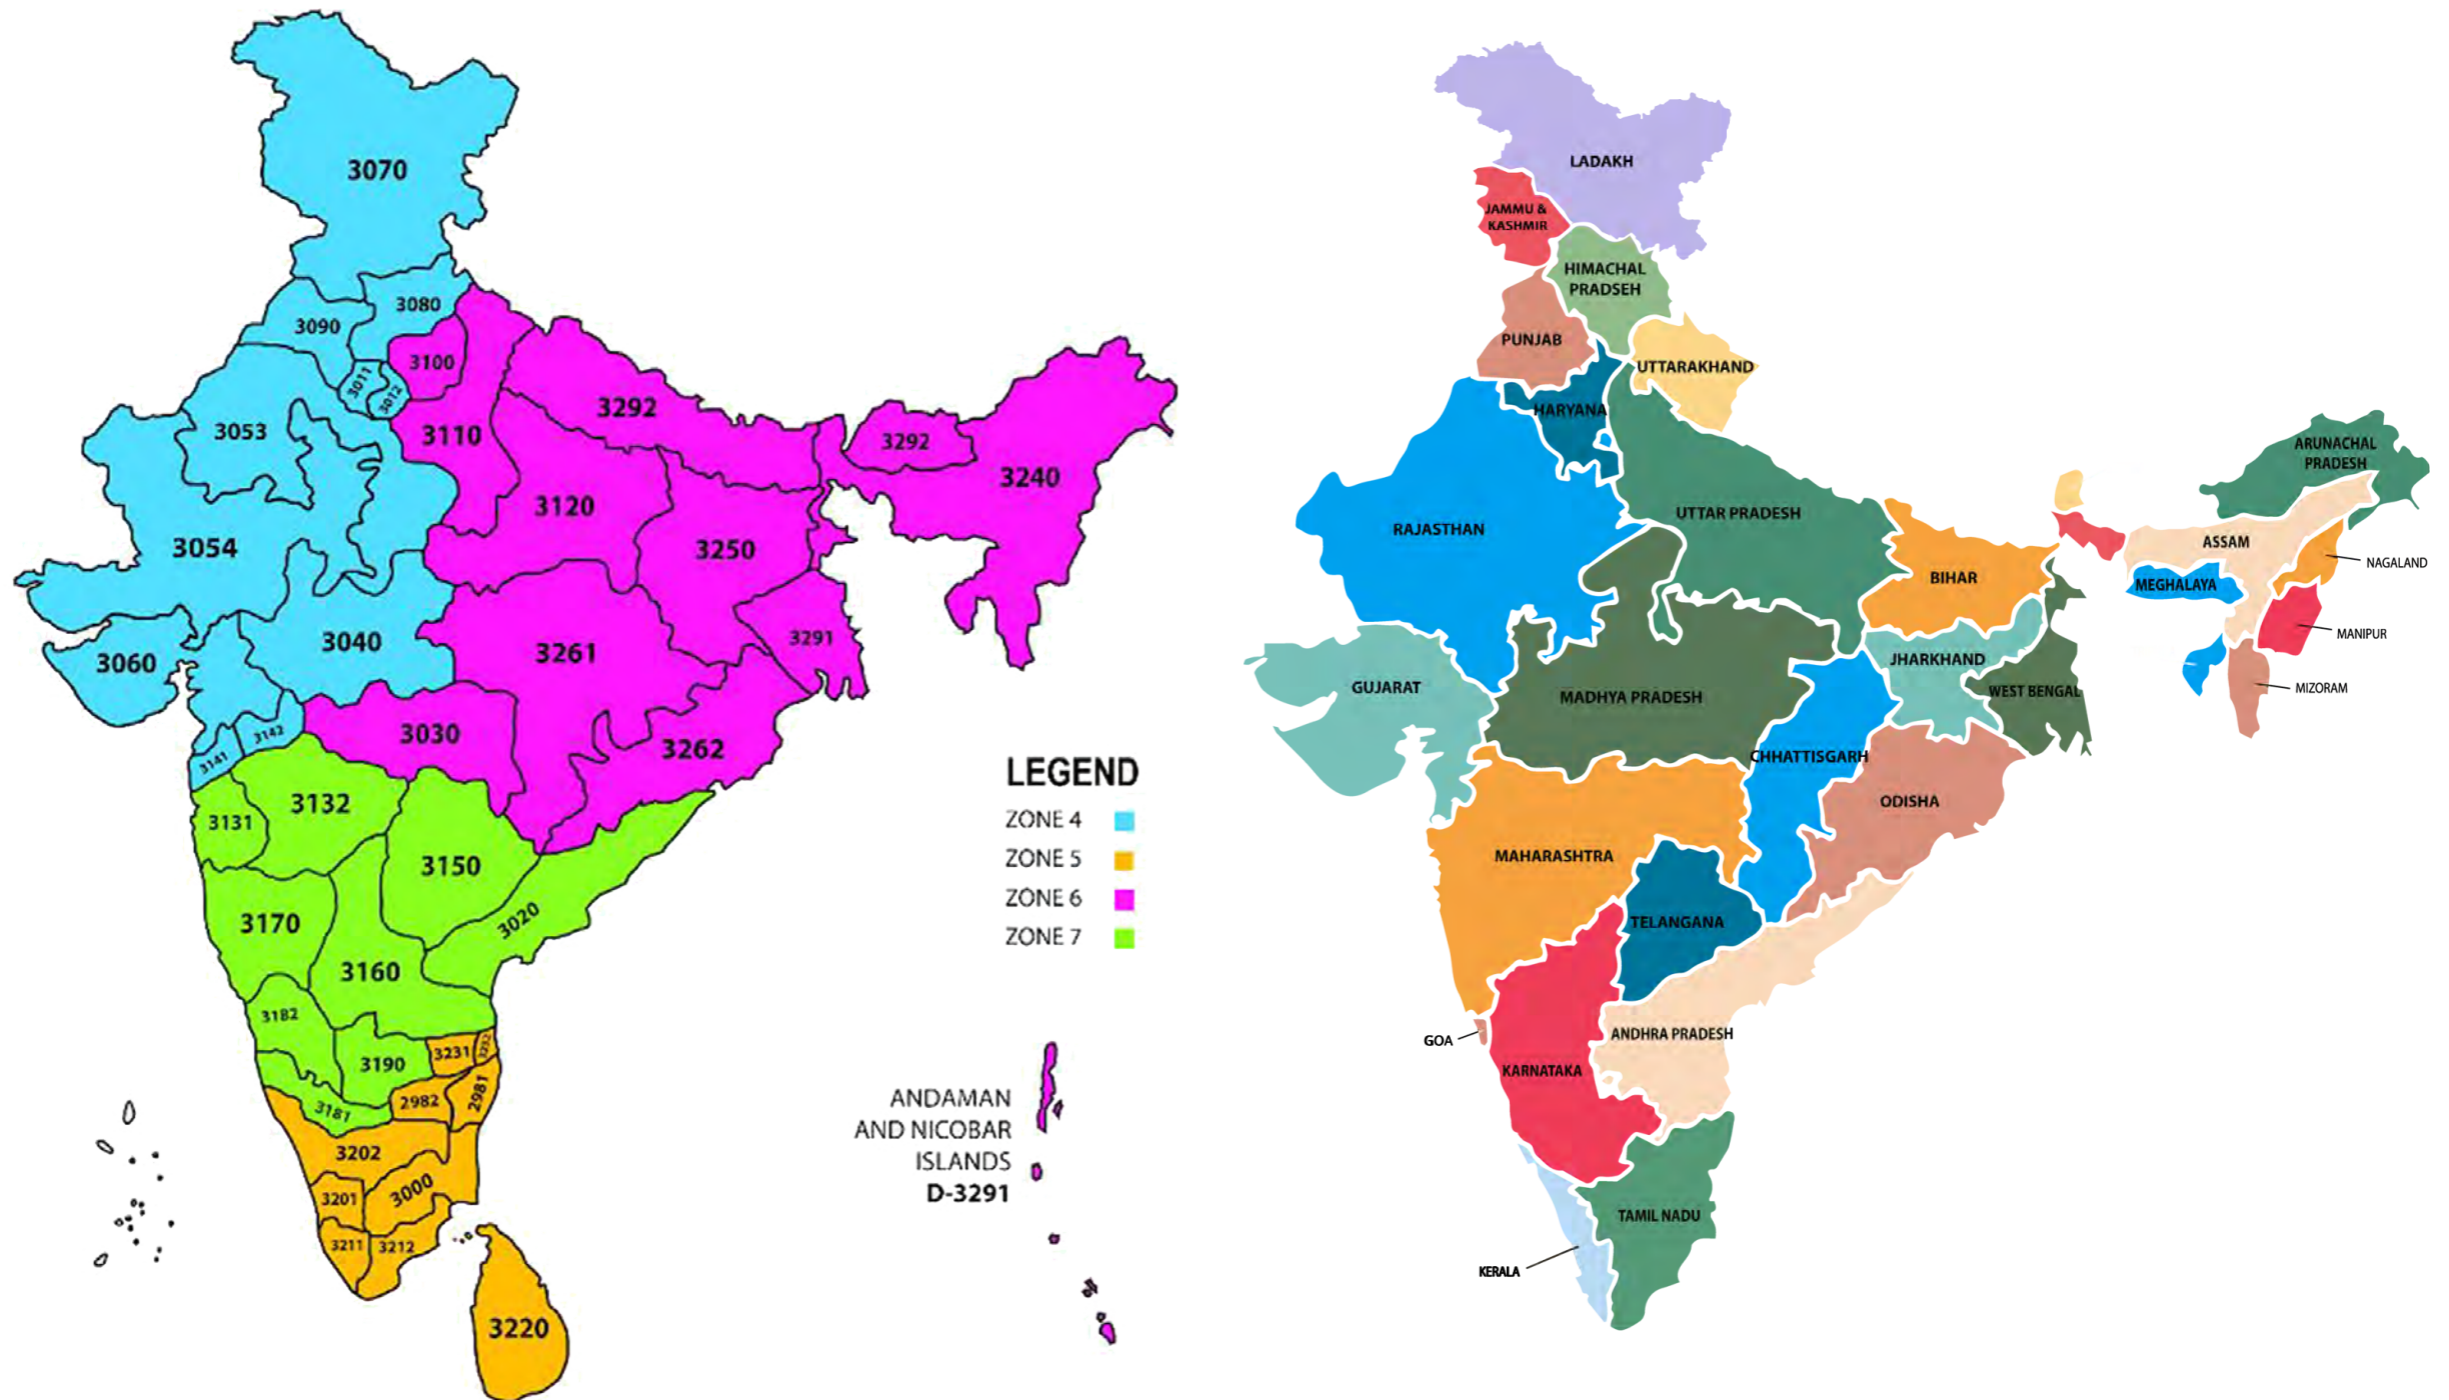

About District 3190

R.I District 3190 was carved out of Dist.318 in 1977-78. It was in 1984 that this District was renumbered as 3190. This has 8 revenue districts - Bangalore, Bangalore Rural, Mandya, Tumkur, Ramnagaram, Chikkaballapur & Kolar from Karnataka and Chittoor from Andhra Pradesh - and has over 150 clubs today with 6,500+ members.

The district has won and broken many world records, such as the highest number of clubs added in a single Rotary year in 110 years of Rotary history; the first to become the highest TRF contributor globally; the highest TRF contribution in the world for the second time of 3 million USD, and many more.

History of Rotary in India

District 3190 Signature Projects

BHT – KARUNASHRAYA

Rotary Club of Bangalore, Indiranagar and Indian Cancer Society (Karnataka chapter) jointly set up BHT – Karunashraya, a non-profit public charitable trust, a hospice rendering palliative care (free of charge) to advanced stage cancer patients. The aim at BHT- Karunashraya is to provide the much needed support, compassion and dignity to the advanced stage cancer patients and their families. BHT is successfully in its 22nd year of operation of the in-patient facility and 26th year of operation of the home care facility.

Till date through our services, we have been able to reach out to more than 25,000 patients.

BHT provides in patient care, home care and education which involves training of young girls between the ages of 18 and 22, mainly from rural/less privileged backgrounds to become nursing aides, thus creating employment opportunities for them.

ROTARY BANGALORE-TTK BLOOD BANK

Bangalore Medical Services Trust (BMST), a not-for-profit organisation, was established by the Rotary Club of Bangalore and TTK Company in 1984.

BMST, initially set up to provide blood-banking services through its division, the Rotary Bangalore-TTK Blood Bank, has evolved over time to become a centre of excellence in the areas of blood banking, transfusion and immuno-haematology; tissue banking, and a transplant immunology laboratory to support solid organ and stem cell transplantation; a Blood Stem Cell Registry; Training; R&D and community based health education and health services.

As a Regional Blood Transfusion Centre and Immuno-haematology Reference Lab for South India, the highlights of the blood bank are:

- 100% Voluntary donor blood only, no replacement.
- Over 36,000 units of blood collected per year.
- 100% blood separated into components.
- Over 80,000 blood components prepared per year.
- NABH accredited.
- Screening for HIV, Hepatitis B & C by Chemiluminescence as well as ID NAT.
- More than 500 hospitals and 50,000 patients served per year.

District 3190 Signature Projects

ROTARY BANGALORE PEENYA PANDITH DEENDAYAL UPADHYAYA DIALYSIS CENTRE

Rotary Bangalore Peenya's Dialysis centre was built with world class infrastructure facilities at a total cost of ₹ 2.30 Crores. The centre has 11 latest Fresenius model Haemodialysis Machines. Rotary Bangalore Peenya has employed qualified and experienced nephrologists, doctors, dialysis technicians, nurses, attenders & others.

In Bangalore, about 7,500 people are diagnosed with end stage renal disease every year. The 2,500 Dialysis machines in Bangalore can cater to about 15,000 patients. However, patients are restricted since many need 3 dialysis per week.

Private Hospitals charge ₹ 1500 - 2500 and charitable institutions charge ₹ 750 - 1000 per dialysis. More than 50% die because of late diagnosis or because they cannot afford treatment. Rotary Peenya is provides free dialysis for the poor, and charging only ₹ 750 for others.

The mission is to deliver health care service efficiently, cost-effectively, and with compassion in a manner which exceeds the expectations of all stakeholders.

This is a day care dialysis centre with just two shifts a day. The centre is in the 9th year of operation and is run by Rotarians only. Nearly 40,000 dialysis procedures have been

District 3190 Signature Projects

ROTARY BANGALORE VIDYALAYA

The school initially known as "Rotary Seva Bharathi Vidyalaya" which later in 2011 came to be known as "ROTARY BANGALORE VIDYALAYA" is a flagship project of the Rotary Club of Bangalore and is run by the Rotary Club of Bangalore Charitable Trust. It is located in Nagadevanahalli in Kengeri, and stands on land bought in 1961 by the Rotary club of Bangalore. The building was expanded in three phases. It caters to the children of the surrounding localities.

During the 1989-90 academic year, the school was officially recognised by the Government of Karnataka and classes commenced from standard 1 to standard 7 and gradually went up to tenth standard. Thereafter, the strength of the students increased to almost 500 within a short period of time, both in Kannada and English medium.

The Rotary Bangalore Vidyalaya has all the facilities for students ranging from excellent infrastructure, laboratories, library, play and dining areas, well established computer labs and facilities for e-learning. It also has a vocational training centre that provides skill training to the students. This school is a testimony to the vision of our senior leaders, patrons, donors, RCB members and well-wishers.

District 3190 Signature Projects

RCB OCCUPATIONAL THERAPY CENTRE

The RCB Occupational therapy centre is set up at an institution that is doing the much needed task of caring for the destitute population on our streets. This home provides food and shelter to over 700 destitute elderly. This centre meets the need for skilled workers who can provide care to these elderly people. A separate block for meeting the occupational therapy needs was put up in the premises for this purpose.

The Centre is a facility to develop skills and medical facilities which is vital to the comprehensive rehabilitation of the residents, and also provides dignity and confidence apart from food and shelter. The building is spread over three floors with each floor dedicated to training the residents in various skills like pottery, tailoring, welding, gardening and basic health care for immediate attention of the residents.

This centre caters to around 250 members who are now using the skill development centre to hone their skills at various occupations. This centre has created for the residents a sense of purpose and has boosted their self esteem. They now feel useful to society and an overall feeling of wellness and joy is seen on their faces.

ROTARY BANGALORE BASAVESHWARNAGAR- TAPAASANA

“Tapaasana” diagnostic centre, a joint project of Rotary Bangalore Basaveshwaranagar in association with Bruhat Bangalore Mahanagar Palike and Sri. S.Suresh Kumar, MLA of Rajajinagar and Hon. education minister, is already a household name in its locality.

In order to mitigate the woes of the underprivileged and to end unnecessary delays and simplify the treatment, the club brought state of the art, expensive but necessary diagnostic procedures within the reach of the deprived class of the society. RBB envisaged and executed this unique project to provide them these facilities at very reasonable and affordable rates, making their treatment less expensive. The project, in its seventh year, has already benefited more than one lakh ten thousand needy people since its inception.

Rotary Bangalore Rajmahal Vilas

Rotary Bangalore Rajmahal Vilas, Cub ID 31297, is a part of Rotary International District 3190.

The club was chartered on 12th February, 1996 with Rtn. S.K Bajaj as its Charter President and PDG Nagaraju G. as the Governor's Special Representative (GSR).

Our Club started with a humble membership strength of 27 members. Since then the club has grown in strength through members and projects.

The club has completed 25 years of commitment and excellence in service in the year 2021.

We meet every Friday at 7:00 pm at the RMV Club, online or at any of the service project locations.

Today we are a group of over 60 members who are passionate about selfless service for the community.

Our service activities have been recognised in the media and press over the years.

HALL OF FAME:

Our club entered the Hall of Fame with 100% Paul Harris Fellows during the year 2004-05 under the leadership of PP Rtn. Usha Medina.

Rotary RMV Welfare Foundation

Rotary RMV Welfare Foundation is a registered Trust set-up in 2012. It was set up the Rotary club of Rajmahal Vilas as their wing for purely community service activities. The Trust has obtained section 80G exemption from the income tax authorities.

The Trust has an exclusive bank account which is different from the club account. All donations for service activity to Rotary Rajmahal Vilas is credited to the trust account and used exclusively for community service activity.

From 2021, the club's Silver Jubilee year, the Welfare Foundation also accepts endowments from donors, wherein the principal is kept in fixed deposits and only the interest is used every year for a service activity specified by the donor.

There are 11 trustees who volunteer for a term of two years. The service activity proposals of the club are financed by the Trust.

Contributions towards our service activities can be made to the following account:

A/c Name: Rotary RMV Welfare Foundation
Savings Bank Account no: 33420100001815
Bank: Bank of Baroda
Branch: New BEL road branch

Our Vision

Our world faces many crisis & challenges, such as human rights abuse & poverty which undermine social harmony & development. To confront these crisis & challenges, their root causes must be addressed by sharing the spirit of human solidarity that takes many forms, the simplest ones being practice and promotion of peace & friendship while serving our communities.

Our club, Rotary Rajmahal Vilas, as the name suggests, is a resource of mentors & volunteers. Hence, keeping the idea of growing Rotary in general and our club in particular, we have adopted the following Vision statement:

***“Together, we find joy in
promoting peace & friendship
through service, and to create a
lasting change in our communities”***

Message from Charter President

Dear friends and Rotarians,

My greetings to you!

Rotary is a 116 years old international service organisation with its headquarters in the USA and operations in over 200 countries. The objective of this organisation is to develop friendship, leadership and serve the community. Our members are from different fields of education, profession, expertise and good performers in their respective profession. This makes them suitable to participate, lead and serve the community.

Rotary International under its umbrella has Rotary Districts. Under each Rotary District are several Rotary clubs. Each Rotary Club for formation has its well defined geographical territory.

Rotary Rajmahal Vilas started in 1996, is a part of Rotary District 3190. We have about 67 members at present and meet once a week at Rajmahal Vilas Club or online. Our members are a close knit family, who support each other and the community.

We have undertaken various service projects in our neighbourhood and other areas. Some of the service projects completed by us are: Drishti Eye Surgical Wing at Drishti Hospital, Devanahalli and Sled Dialysis centre at People Tree Hospital.

Some of our ongoing projects are: Avoidable Blindness, Koira lake rejuvenation, DULT-SuMA and Covid relief. Taking up new service projects is a continuous process.

We are open to invite and induct new members. Please join us to enjoy our friendship, leadership development and serve the community.

With warm regards,

Yours truly,

PP Rtn. S. K. Bajaj
Charter President
1996-97

Message from Charter Member

Dear Friends,

I have been a Rotarian as old as the club Rotary Bangalore Rajmahal Vilas. I joined Rotary in 1996.

As a Charter Member of this club, I have grown in Rotary with the club. I have seen the club starting with 25 members, growing with highs and lows in the last 25 years. It has been an interesting journey to know how and why individuals join Rotary; why many make Rotary an important ingredient of their life; why they stay and make themselves true Rotarians, and why some leave.

When I joined Rotary, I had no knowledge of how Rotary works. Once I started to involve in various aspects of Rotary, it became a major part of my life journey. The interesting parts of my Rotary journey have been:

1. Meeting people from different walks of life who I would not have probably met but for Rotary.
2. Making new friends for life.
3. Serving the community at a close proximity with the beneficiaries
4. Travelling worldwide, meeting and making friends who think similarly as we do.
5. Developing leadership qualities and skills.

I have had the opportunity to lead this club, doing service projects, funded by The Rotary Foundation. We have carried out projects in areas of Health, Education & Environment, large and small, of value running to Rs 50 lakhs each. This experience has brought in expertise to handle project governance from start to finish, and the experience of identifying community needs and delivering quality benefits to the deserving beneficiaries.

I would like to make special mention that our club is a very cohesive group of members. We disagree to agree finally. This makes the environment productive and fun filled.

I see this club growing in numbers and doing service projects which will bring benefits to the society around us.

Thank You,

PP Rtn. Kirti Mehta
Charter member

Message from President Elect

Greetings !

As President Elect it is a great honour to lead this prestigious club in the coming year. The R.I. theme for the year is “Serve to Change Lives”, what an appropriate theme considering the challenging times we are living in. While the situation presents us with many challenges, it also provides our club with a lot of opportunities.

Some of the activities that we are already involved in like the vaccination drives in partnership with the Government Urban Primary Health Centre have already shown what our club can do at a time when the community needs leaders. Our Rotarians were at the forefront of action, putting their lives at stake, when people were hesitant to step out of their homes.

These efforts have already seen a ready interest in members of the community wanting to join our efforts that made a difference to the lives around us. I am sure our membership will grow in spite of the fact that we are doing most of our activities virtually.

The second wave of Covid has rendered 1 crore people jobless, this is a time when our vocation service team should reach out and create meaningful projects to support the community to start micro- enterprises and provide the know-how from the vast talent pool of the Rotarians.

Covid has also put a spotlight on the gaps in health care which is an opportunity for us to join hands with local health care agencies and augment their infrastructure so that the underprivileged can have access to quality health care.

Rotary is a mix of fellowship and service, so I am also hoping that we can have a good time together through meaningful speaker meetings, fun events and also offline meets when the situation permits. This is also a great moment to look at the appropriateness of our club vision, “together we find joy in promoting peace and friendship through service to create a lasting change in our communities”.

Overall, I am looking forward to an exciting year ahead with all of you!

Rtn. Shankar Subramanian
President Elect, 2021-22
Rotary Bangalore Rajmahal Vilas

Signature Projects over 25 years

Working with the District

AVOIDABLE BLINDNESS

Rotary Rajmahal Vilas has been over the years consistently participating in the **DISTRICT AVOIDABLE BLINDNESS** project providing free eye check-up in rural areas, children in government schools, cataract surgery to the needy. Under this district project our club has contributed Rs. 2 lakhs and more in the following years which have benefitted nearly 1000 beneficiaries.

In the subsequent years, eye checking camps were conducted for elderly and in Bangalore government schools for children. The eye check-up camp was concluded with distribution of spectacles for children. In 2019, our club was awarded for the most number of schools covered for eye camp and distribution of spectacles.

Signature Projects over 25 years

Working with the District

TEACH PROJECT

Computer systems in working condition from software companies were collected, upgraded and installed at various institutions to offer computer training to the poor and needy. It was a joint project with the state government during the tenure of Shri S. M. Krishna as the Chief Minister who inaugurated the project.

In the following years, Rotary Rajmahal Vilas has been donating every year exercise books to nearly 600 poor school children. The club so far has contributed nearly Rs.2 lakhs over the years.

We have been instrumental in assisting girl students get back to school under the Asha Kiran Project of Rotary India Literacy Mission.

We have donated e-learning kits and solar lamps to the rural Bachahalli school in Devanahalli Taluk, enabling 10th grade students to study at home during power cuts.

In 2021, the club in conjunction with Rotary Bangalore West, handed over 21 electronic tablets to the school. The tablets, to be shared by two students, were integrated with the 10th standard school syllabus.

Notebook & school bag distributions

THE DRISHTI EYE SURGICAL WING

In 2012-13, Rotary Rajmahal Vilas successfully executed a project of Rs. 36 lakhs to build an eye surgical wing at Drishti Hospital in Devanahalli. The significance of this project was that it served the beneficiaries from rural Bangalore with free cataract surgeries. Close to 2000 under privileged people have been benefited. The project was brought about by the cooperation between Rotary Bangalore Rajmahal Vilas and Rotary Club of Colville, USA, in addition the Rotary International Districts 4510, 5080, and 3190 also contributed to the funds.

Signature Projects over 25 years

SLED DIALYSIS MACHINE AT PEOPLE TREE HOSPITAL

During the year 2017-18, Rotary Bangalore Rajmahal Vilas, R.I. Dist. 3190 under Past President, Rtn. Dr. Anita Shah, sponsored a specialised life-saving low efficiency dialysis machine at a cost of about Rs. 16 lakhs to the paediatric ICU of the People Tree Hospital.

This machine is different from the regular dialysis machines. Acute Kidney Injury (AKI) is a major contributor influencing the outcomes in critically ill patients and especially children.

The paediatric ICU of People Tree Hospital is a 24 bedded ICU which caters to children from newborns to 15 years of age, suffering from ailments such as Dengue, Trauma, food poisoning etc. In such children acute kidney failure can happen at any time which can be life threatening.

The SLED machine helps in sustained and low efficiency dialysis in these children. The SLED Dialysis machine in paediatric ICU was officially inaugurated by Rotary District 3190 District Governor Rtn. Asha Prasanna Kumar on 17th June 2018 at People Tree Hospital, Goraguntepalya, Tumkur Road.

Current Signature Projects

SUSTAINABILITY MOBILITY ACCORDS (SuMA) - DULT PROJECT

In 2021, Rotary Rajmahal Vilas was the only Rotary club and one of 9 NGOs out of 200 wards in Bangalore to win a grant of Rs. 50 lakhs from the Directorate of Urban Land Transport – Government of Karnataka, for the implementation of projects for sustainable mobility and transport.

In the first phase, we conducted 300 household surveys by Feb 2021, in wards 18 & 19 (Sanjaynagar and RMV).

In March 2021, during the second phase we conducted focus group discussions in six categories: women, children, differently abled, senior citizens, BPL citizens, and citizens who come from other areas to work in Sanjaynagar.

The upcoming task is to finalise the projects, plans and estimates, with the help of DULT by July 2021, after which the project will be implemented over nine months with funding from DULT. This project, on completion, we envisage will be greatly beneficial to the public in these areas. It will also bolster our public image in the Sanjaynagar and RMV areas and will set the stage for future bigger grants for our Club and the Welfare Trust.

The poster features logos at the top for the Directorate of Urban Land Transport (DULT), Rotary Bangalore Rajmahal Vilas, and Rotary Open Opportunities. Below the logos, the text reads: "GOVERNMENT OF KARNATAKA - DIRECTORATE OF URBAN LAND TRANSPORT (DULT) SUSTAINABLE MOBILITY ACCORD (SuMA) PROJECT". It identifies the "COMMUNITY PARTNER: Rotary Bangalore Rajmahal Vilas Ward 18 & 19" and states the goal: "For environmentally friendly, sustainable transport". At the bottom, three colored panels represent different modes of transport: "WALKING" (yellow panel with a white pedestrian icon), "PUBLIC TRANSPORT" (red panel with a white bus icon), and "CYCLING" (teal panel with a white bicycle icon).

KOIRA LAKE REJUVENATION

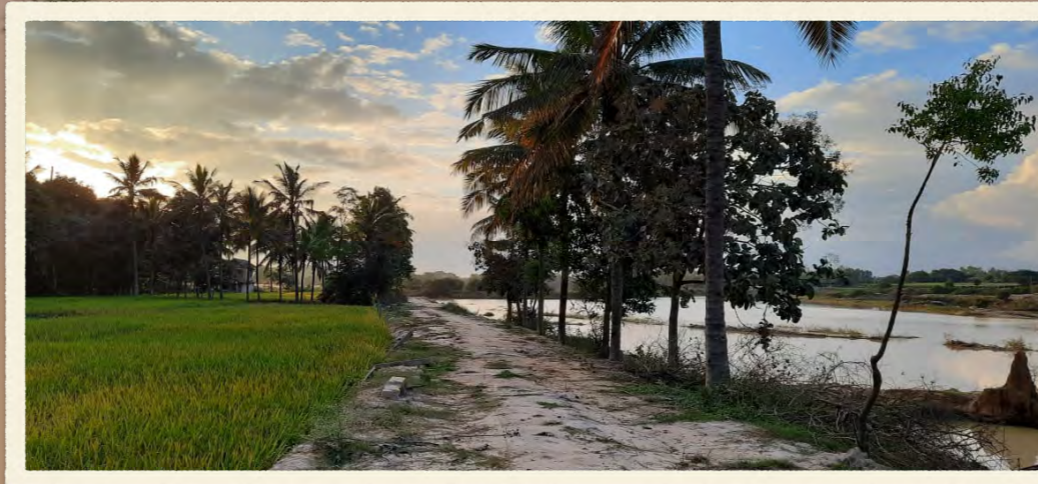

During the Rotary Year 2019-20, Rotary Bangalore Rajmahal Vilas, RID. 3190, under IPP Rtn. Sanjay Krishna, through its project 'Connect to Conserve', took up the rejuvenation of 19 acres 39 guntas (8.08 HA) lake situated in the Arkavathy River catchment area in Koira Village near Bengaluru, with the object of increasing the existing water storing capacity from 1,15,296 cubic meters to a minimum of 1,71,579 cubic meters.

Under the supervision of members of the Club Committee and the Rotary Community Corps (RCC) RMV- Arkavathy, chartered by the club, the work of rejuvenation commenced.

Initially, the feeder channels of the lake, which was almost dry, was excavated followed by the formation of boundary bunds and removal of silt. By June 2020, a third of the de-silting work was done and was ready to receive the rains, with a completed expenditure of about 15 lakhs.

Subsequently, this work not only allowed the lake to receive more water, but also to retain the same due to increased holding capacity. It has helped villagers to grow crops with high water requirements such as paddy, and feed their cattle in addition to rejuvenating their wells with groundwater. It has also allowed to enrich the biodiversity of the surrounding area attracting more fauna. The club has also participated in helping in the afforestation of areas around the lake. This project aims to be completed by the year 2022.

COVID-19 RELIEF PROJECTS

In 2020, our club joined hands with BBMP to help residents of the area in ward 18 and 19 navigate the pandemic.

Rotary Bangalore Rajmahal Vilas distributed 1700 Dry Ration kits to the affected households in the containment zone, Ward 18- Geddalahalli. In total, 70 tonnes of dry ration were distributed. Each kit weighed 40 kgs containing dal, rice, sugar, salt, oil and soap. The cost of the project was Rs. 30 lakh. Fifteen members of our club and other volunteers worked each day between 29th April to 5th May, 2020.

In a pilot model to de-centralise Covid management, a helpline number was created, which residents could call anytime to seek guidance on testing, getting an ambulance and finding appropriate Covid care centres or hospitals. Our members also conducted door-to-door surveys to check for any co-morbid cases who may need testing on priority.

As the vaccination drive took place across India, our club stepped up to help our local Primary Health Centre in Sanjaynagar. Our members have been present constantly at the PHC since March 8th, 2021 till the present date, everyday to help organise and manage the crowds, guide the citizens and to assist the doctors at the PHC.

Since March, 3 to 4 of our Rotarians have spent around 5 to 7 hours per day, amounting to over 1000 hrs of service and have facilitated over 10,000 vaccinations over the past three months to citizens of the locality.

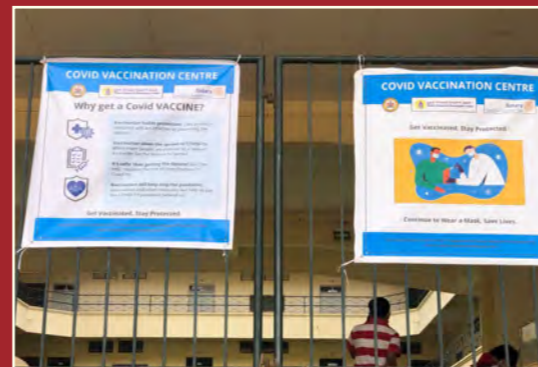

Through fund-raising, we have collected over a million rupees and contributed over a half a million rupees worth of essential medicines so far to the PHC as well as the Covid Care Centre. In the subsequent weeks oxygenators, masks, sanitisers, oxygen masks, etc. were provided to these centres.

Inter City General Forum (ICGF)

Inter City General Forum (ICGF) in District 3190 has traditionally been one of the most popular and well attended large multi club programs spread over the entire Rotary year under various avenues of service.

ICGF brings together all the members and families of various clubs under one roof by showcasing the rich multicultural nature of our vibrant District 3190.

We as a District become one large extended family during this period without any barriers of diversity of people, religion, culture, language, traditions.

ICGF also provides an opportunity for staying together, thinking together and planning together.

Our District Leadership every year identifies and engages with clubs who have the interest and capabilities to host the ICGF's and the preparations start at least a year in advance.

This enables multiple synergies developing between various clubs, enabling collaborations among similar service projects, fellowship activities, business networking and more so making us believe how large and a wonderful organisation we are as Rotary.

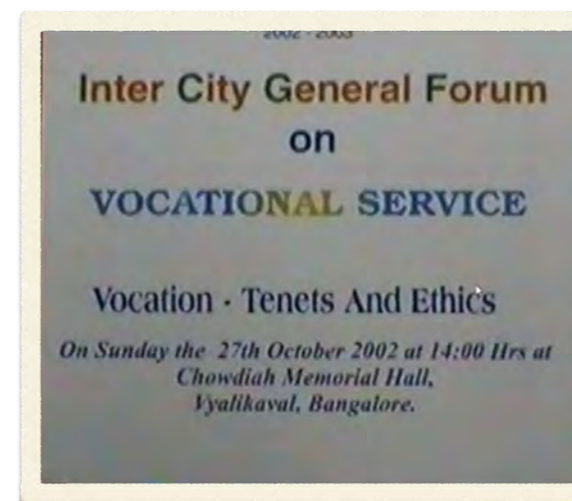

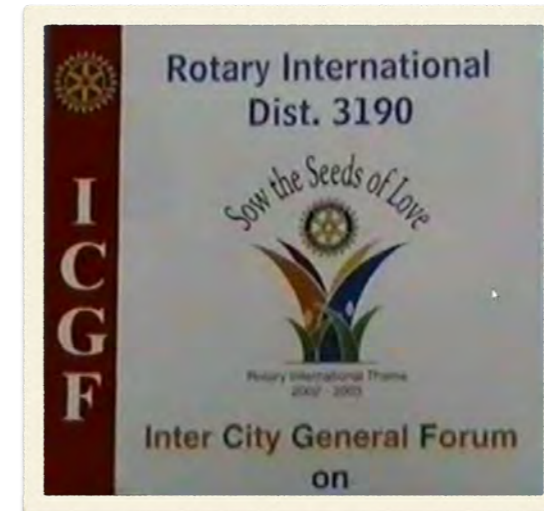

All our family members old and young who accompany us to ICGFs gain immensely from real life experiences, helping change their perspectives and outlook to life for good.

Our club members, Anns, Annetes and Rotaractors have participated in the cultural programs of various ICGFs over the years.

Vocational Service ICGF - 2002-03

Rotary Rajmahal Vilas hosted its first ICGF on Vocational services on 27th October, 2002 at the Chowdiah Memorial Hall, Vyalikaval. The event chair was charter member PP Rtn. Kirti Mehta, under the Presidentship of Rtn. A.N. Sharief, during the tenure of District Governor Rtn. P. M. Bhansali. The theme of the event was Tenets and Ethics in different vocations.

Community Service ICGF - Sahadharma 2018-19

Rotary Rajmahal Vilas hosted Sahadharma, ICGF on community services on June 1st, 2019 at White Petals, Palace grounds. About 1300 people from 100 clubs across RI district 3190 attended the event. The ICGF had 6 breakaway sessions, with talks and panel discussions on Rotary's 6 focus areas -Peace and Conflict , Maternal & Child health, Basic Education and Literacy, Water & Sanitation, Community & Economic Development, Disease Prevention & Treatment .

The event was also a launching pad for Rotary's prestigious project, Rotary Koti Nati, which envisages planting 1 crore trees year on year for next 4 years. The project was launched by eminent spiritual guru, Sadhguru. DG Suresh Hari read out the pledge to plant 1 crore trees and urged the audience to follow suit and commit to the cause of Rotary Koti Nati wholeheartedly.

PP Rtn. Mahadev Dambal was the event chair.

President Rtn. Bharath and PP Rtn. Rajaram, event chair , kicked off the International ICGF held virtually this year. There was a panel discussion by Hon KP Balasubramaniam, Honorary Consul General, Latvia; Hon Achim Burkart, Consul General, Federal Republic of Germany; Hon Vikram Vishwanath, Honorary Consul of Peru; Rtn Gitesh Agarwal, Country Director India, CWEIC on what ties countries together.

DG Rtn. Nagendra Prasad this year introduced BESUGE, a partnership initiative between City and Outside City clubs to carry out Service Projects to the community. This helps in our District 3190 bringing synergy amongst the participating clubs to implement various projects under the listed Seven Focus areas seamlessly.

IPP Rtn. Sanjay Krishna launched the Rotary Fellowship of Ice-cream lovers. The event ended with an international concert featuring singers Shruti Bhide and Mike Kerr.

PP Rtn. Rajaram Krishnamurthy was the event chair.

Launch of Rotary Fellowship of Wildlifers for Conservation

Rotary Rajmahal Vilas took the lead to launch the first ever Rotary Fellowship of Wildlifers for Conservation in 2019-20. It was launched from Rotary District 3190.

The fellowship group aims to work towards the cause of conservation of wildlife and their habitats and to create a fellowship among like-minded Rotarians to have fun, make new friends around the world, and enhance their experience in Rotary and create a platform to invite new members into the Rotary family.

The fellowship has been officially recognised by Rotary International.

Rotary Action Group Against Multiple Sclerosis (RAGAMS) - India Launch

Rotary Bangalore Rajmahal Vilas, was the lead club of RAGAMS, the first ever Rotary Action Group in India to support people affected with Multiple Sclerosis. There are more than 2 million people in the world affected with MS, an autoimmune disease of the central nervous system that makes everyday life a challenge.

RAGAMS aims to build awareness for this lesser known disease and work on projects to support persons with MS.

RAGAMS- India was launched in India by R.I. District 3190, District Governor Rtn.B.L. Nagendra Prasad. Rtn. Martin Taurins, Chairperson RAGAMS graced the occasion along with Shri. Viresh Oberoi, President of the Multiple Sclerosis Society of India, Dr. Rajesh Iyer (HOD Neurology, Vikram Hospital) and Director Vocational Service, RID 3190 - Rtn.Dr. Radhakrishna.

Rotary Bangalore Rajmahal Vilas anchored the program.

The office bearers positions for RAGAMS (India) are held by our members:

President: Rtn. Shankar Subramanian

Secretary: Rtn. Usha Medina

Treasurer: Rtn. Rajagopal Hegde

During the launch, our DG donated a laptop to the daughter of a person with MS. Also in association with the Rotary club of Kolar, a wheelchair was donated to an MS warrior.

Contributions to The Rotary Foundation

MAJOR DONORS

When a member's cumulative donations of PHFs (\$1000 each) reach \$10,000, they are acknowledged as Major Donors and receive a crystal recognition piece and a Major Donor lapel pin or pendant. Recognition items commemorate giving at these levels:

- Level 1: \$10,000 to \$24,999
- Level 2: \$25,000 to \$49,999
- Level 3: \$50,000 to \$99,999
- Level 4: \$100,000 to \$249,999

Major Donors from Rotary Rajmahal Vilas who have contributed over \$10,000 to the Rotary Foundation

1. Rtn. Kirti Mehta
2. Rtn. Sundar Prakash
3. Rtn. Rajaram Krishnamurthy
4. Rtns. Usha Medina & Shankar Subramanian

PAUL HARRIS FELLOW (PHF)

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation. Rotarians have a tradition of supporting the Foundation by honouring others.

Paul Harris Fellows receive a certificate and pin. They are also eligible to buy a Paul Harris Fellow medallion. The number of Paul Harris Fellows across the world reached the 1 million mark in 2006.

When you give additional gifts of \$1,000 or more to the Annual Fund, PolioPlus, or an approved Foundation grant, one becomes a Multiple Paul Harris Fellow.

When you elect to contribute \$1,000 or more annually to the Annual Fund, PolioPlus, or an approved Foundation grant, one becomes a Paul Harris Society member.

Silver Jubilee Endowments Plan

Rotary Rajmahal Vilas Welfare Foundation's ENDOWMENT PLAN

As part of the special celebrations and plans for our 25th anniversary , we have instituted a unique and innovative one- time ENDOWMENT PLAN for our Welfare Trust. **Our trust is a registered non-profit welfare organisation with Sec. 80G exemption and its own PAN number.**

We have instituted 3 Endowment options :

DIAMOND Plan	10 Lakhs
GOLD Plan	5 Lakhs
SILVER Plan	3 Lakhs

We have received Endowments from the following members:

1. **Rtn. Sundar Prakash - Silver Plan of 3 lakhs**
2. **Rtn. Bharath Asuri - Silver Plan of 3 lakhs**

The Trust welcomes more endowments from our club members and well-wishers going forward, thereby enabling us to strengthen our service activities in the future with a growing corpus.

The unique features of the Endowments are as the following :

1. The Funds shall be permanently kept in a government bond /deposit by our trust, and only the interest shall be used year after year for service projects.
2. The donors can choose the avenue of service they wish to use the funds for each year, like health, education, environment etc.
3. The donor shall be recognised EVERY YEAR during the Governor's Official Visit (GOV) for their generous contribution.
4. Donors shall be free to name their Endowment as they wish, for instance , say in the memory of their grandparents or parents or anyone else.
5. Donors shall have the option to upgrade their plan from Silver to Gold and Gold to Diamond in future if they so wish.
6. The Endowments will provide all future presidents of the club a ready resource for small projects.
7. Every year, new endowments can be obtained both internally and externally, and in a few years the Club shall endeavour to collect over 1 crore in Endowments.
8. As the Endowment corpus grows year after year, the club shall also grow stronger and more independent.
9. Senior past presidents of the club and other well wishers as well as future leaders of the club shall be encouraged to participate in the Endowment Plan as part of the unique culture of the club in the interests of its long term health and vitality.

The Rotary Rajmahal Vilas Family

Rtn. S.K. Bajaj

Charter President S. K. Bajaj has a M.E. degree and is in the business of manufacturing professional electronics inductive components.

His son, Vikas Bajaj is a B.E. (E&C), and is in the profession of supplying business application software like ERP, CRM, digital marketing etc.

Parul Kapur Bajaj, his daughter in-law, has a M.Sc., M.B.A., and is a writer, college teacher, and home baker. His daughter, Mini Bajaj has a B.E. (CS) degree and works with IBM.

Rtn. Kirti Mehta

I was born 24th April 1958, into a Gujarati family in Kolkata. After my schooling, I moved to Bangalore in 1975 for engineering, completed B.E Electronics from RVCE, did a stint at a private firm and then moved to business in 1984. I married my wife, Jyoti in 1982.

I started a manufacturing unit for electronic products in 1988, which over the years moved to manufacturing special products for the Defence and Telecommunication sector. In 2007, I sold my shares, moved out of the company and started dealing with IT & ITeS products. Currently we deal in UPS, batteries, retail automation, printers, scanners, plotters and cameras. We also develop and implement solutions like automated driving tacks for the transport department and access control systems.

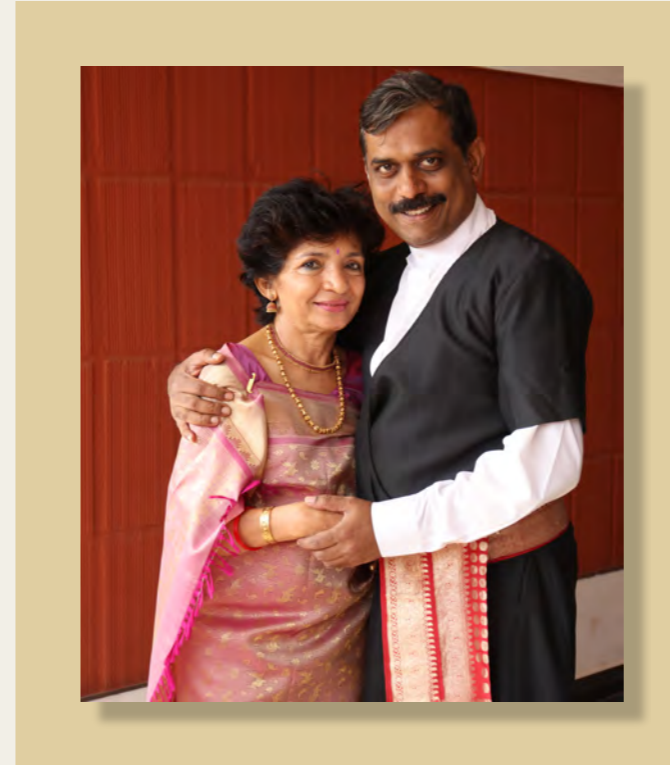

My wife, Jyoti is a housewife who loves cooking and entertaining guests.

My son, Pratik works at BIAL as General Manager, Cargo. He is married to Pooja and they have a daughter, Samiksha and a son, Kiyansh.

My daughter, Manali is an alternative therapist and a life coach.

Rtn. Usha Medina Shankar

Usha is the proprietor of Medina Plastics and an award winning entrepreneur who is in the business of manufacturing plastic injection moulded components.

She is a passionate Rotarian who led the club to the Hall of Fame in her leadership year. She is passionately involved in the District avoidable blindness team, working to create awareness in the area of eye care and facilitating treatment for the underprivileged.

She is also on the board of many NGOs and takes an active part in supporting various causes for the community. She has keen interest in wildlife and photography and is also the membership chair of the International Association of Rotarian Photographers.

Rtn. Rajaram Krishnamurthy

I joined Rotary Bangalore Rajmahal Vilas in the year 2000, served as Director in the Club under various avenues of service between 2000-2021. Was privileged to lead the Club as President during the Rotary Year 2018-19.

At Rotary District 3190, I have been serving as Director - Foundation for two consecutive years, 2019-2020 and 2020-21. I will be serving Rotary District 3190 as District Conference Secretary during 2021-22.

Married to Ann Indira for 25 years, who has done her B.Com and M.A. (Carnatic Music Vocal). She is also a Bharatnatyam dancer for over 30 years. We are blessed with a daughter, Srija (22 years) who is doing her Masters in Clinical Psychology and is a Bharatnatyam dancer for over 13 years, and son, Dhruva (16 years) who is studying in 10th standard.

I started my career in 1989 as management trainee with the Coffee Day Group in their financial services vertical, and served as Business Head - Financial Services between 1995-2009, reporting to Late Mr V G Siddhartha, the Chairman of the Coffee day Group. Had the privilege to serve on the board of the company for 10 years. After spending 2 decades with Coffee Day Group between 1989-2009, I started my own financial consulting firm specialising in capital raising. It has been a wonderful journey so far both professionally and personally.

Rotary has become a second home for me and my family. We look forward to serving the society for many more years through Rotary. Wishing all my fellow Rotarians great success in all their endeavours. God Bless!

Rtn. Rajesh Kunder

Rajesh comes from a family of Rotarians- both his parents are Rotarians. He has been a member of Rotary Rajmahal Vilas for the last 18 years. He has led the club in various capacities; he became the President in the year 2009-10. He has also taken part in various committees of District 3190 and currently he is serving as a Vice Chair for District Interact Committee. The avenue of Youth Services in Rotary is very close to his heart and he has been responsible in nurturing four Rotaract Clubs and two Interact clubs. He is a Paul Harris Fellow.

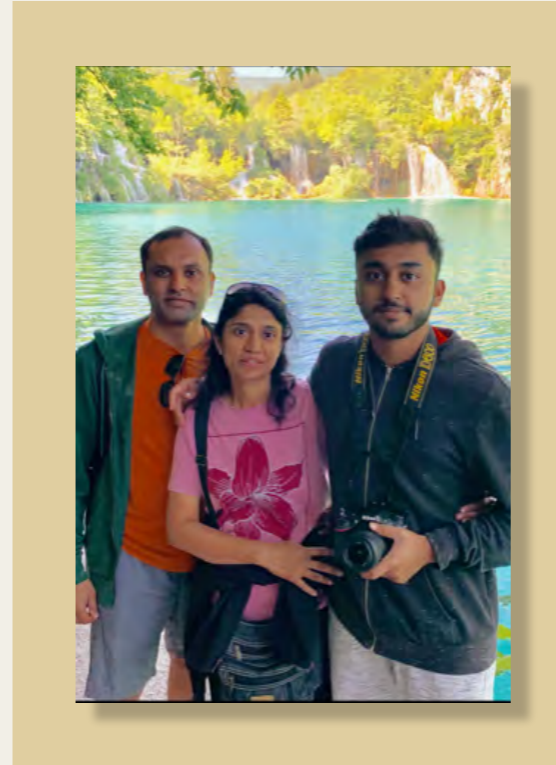

An engineer in Electronics & Communication, he has been a technology consultant offering services in product design and development services. Having worked in the industry for the last 30 years, he is familiar with most of the embedded electronics technology domain especially the automotive industry and the IoT space. He has rich experience in managing the complete life cycle of a product development starting from innovation to market deployment and post deployment stages.

This journey of entrepreneurship has given him immense opportunity to learn the various business systems, be it retail, manufacturing industry, government, overseas etc. He was the co-founder of two companies- i-Factor Technologies Pvt. Ltd., and MG Grey Engine LLP and has strategically exited both the companies. Currently, he offers consultation and guides companies on product design, engineering process, project management and business strategies to aspiring individuals or companies to make their activities more efficient and result oriented.

He is happily married to Ann. Anitha.

Rtn. M.S. Raghuv eer

I'm born and brought up in Bangalore. By profession, I am a distributor of LPG Bharat Petroleum. I've been the past president of Rotary Rajmahal Vilas, and did a project on free dialysis for the underprivileged. My hobbies are trekking, photography, biking, and meditation.

My wife, Subhadra was an Inner Wheel past president. She helps me in my business. My son Nikhil is doing a Masters in Business.

Rtn. Arjun Merwade

Rtn PP Arjun Merwade is a Postgraduate in Analytical Chemistry with over 40 years of experience in this field. He has been part of Rotary Rajmahal Vilas since 2005 and held positions of Club Secretary and President in the years 2007-08 & 2011-12, respectively. Rtn Arjun Merwade is also a PHF and is a District Committee member of Public Image for the year 2020-21.

Rtn Arjun Merwade grew up in Hubli/Dharwad. He started a testing lab, M/s. Met-Chem Laboratories, which is NABL accredited, ISO 9001: 2015 and a MSME recognised lab specialising in the analysis of ores, minerals, metals, alloys, soil, fertilisers, water & effluents. The laboratory is servicing many public and private sector organisations like ISRO, BEL, NAL, JSW Steels, KIOCL and several mining industries in and around Karnataka.

Rtn. Arjun Merwade is blessed with a lovely family. His spouse Smt. Sunanda Merwade, is a homemaker.

Rtn. Arvind Chanchani

Sitting front: Arvind Chanchani, Hema Chanchani

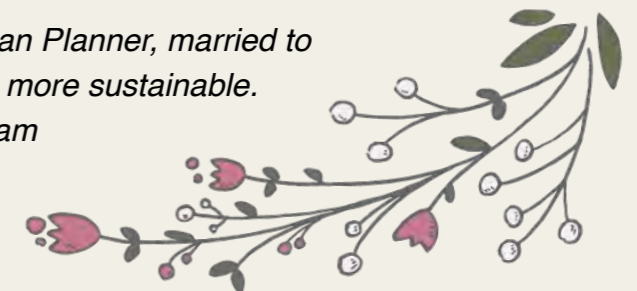

Standing back (L-R): Radha Chanchani daughter, Apurva Varma son -in - law, Aditi Chanchani daughter, Smriti Chanchani daughter, Ram Ranganathan son - in - law.

Hello! I am Arvind Chanchani, a Rotarian of Rotary Bangalore Raj Mahal Vilas since 2008, introduced through Kirti Mehta, the then president.

I have spent the first half of my life in Nainital/Calcutta, and the 2nd half here in Bangalore. I love jhal muri and idli sambhar with equal fervour.

I did my post graduation (Mathematics) from Jadavpur University. My brother and I run a manufacturing unit making bright steel bars and precision turned components used in the automotive industry.

I'm married to Hema, a homemaker (who loves flowers and seeing the world) and have three daughters. Eldest, Radha is an Urban Planner, married to Apurva Varma. Second daughter, Aditi has a Masters in Tourism and Leisure, and works with the social sector on making tourism more sustainable. My youngest, Smriti is a Communications Designer and filmmaker, a graduate of Shristi school of Art & Design, and married to Ram Ranganathan. They have blessed me with a granddaughter, Bilva.

Rtn. Sameer Siddhanti

He has been a member of Rotary Rajmahal Vilas for the last 13 years. He has served the club in various capacities over the years. During Rotary year 2012-13 he served as the president of the club and took up a major project of setting up the Rotary eye surgical centre in collaboration with Drishti Eye at Devenahalli. He also established the Rotary RMV Welfare Foundation and designed a logo for the club to define a new identity. During his tenure as the president, the club also established Rotary RMV Inner Wheel club. He is a Paul Harris Fellow.

Sameer has over two decades of industry experience in IT. He holds a masters in electronics but started his career as a software engineer. After working for 8 years in the IT industry in technical roles ranging from developer to product manager, he changed his career to a project management consultant and a trainer around 2008. Under the able mentorship of Rtn Shankar, he developed his skills as a trainer and a public speaker. He has delivered his sessions at some of the prestigious educational institutions including IIM (K) and IIT Bombay. In 2017 he immigrated to Canada with his family, where he works as project management consultant in IT industry. He continues to be a member of the club till today.

He is happily married to Ann. Radha. Radha is a certified counsellor and has practiced in Bangalore for more than decade. She has worked extensively in the area of prevention of child sexual abuse. She has conducted awareness sessions for over 80,000 children across Karnataka, Tamil Nadu, Kerala, Andhra Pradesh and Maharashtra. She was on the review committee for Telengana state textbook to include gender sensitisation. She has worked with UNICEF on a project for gender sensitisation in north Karnataka. She also provided inputs to POCSO act drafting committee.

Rtn. Sanjay Krishna V.

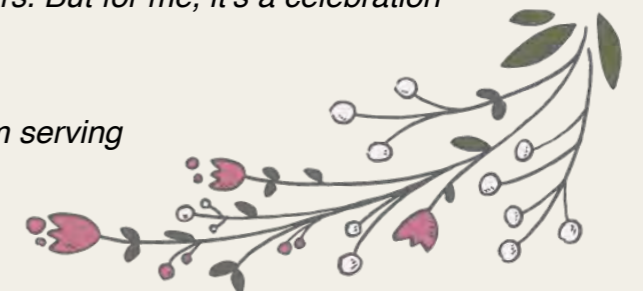

Education: B.A/LLB It was perhaps natural that I chose LAW as my profession- the legal traits were passed on to me from my great grandfather, a lawyer in Madhugiri. My father, V.K.Dwarakanath, retired as a district judge from the Karnataka state judiciary. He is the first Indian judge to have written a judgement in Kannada, post-independence. Due to his transferable job, I spent my high school days at Tarikere and Chikmagalur, close to the Western Ghats, where my love for nature took root. Visiting various sanctuaries, I developed an affinity to wildlife. Today, I use photography as a medium to appreciate the natural world and attempt to learn everything there is to know about it. My Mother, Padma, hails from a humble agricultural family in the Mysore District. She passed her love of music down to me. Singing continues to be one of my favourite hobbies to this day.

My wife, Ashwini Bhat, also a lawyer, was my college-mate. Not only did she become the love of my life, she also became the law in my life. She is my pillar of strength and has stood rock-solid by my side during the most difficult times. She chose to give up court practice to bring up our only daughter Sharanya.

My daughter, Sharanya Bhat, is currently in her 2nd Year of Law at Durham University. Today, we have a day to celebrate daughters. But for me, it's a celebration every day as she is the best thing that ever happened to me.

I joined Rotary Club of Bangalore Rajmahal Vilas in 2008 and led the club as its president during the year 2019-20. Currently I am serving the Rotary District 3190 in the capacity of Fellowship Chair and the Rotary Fellowship of Wildlifers for Conservation as its founding chairman.

Rtn. Mahadev Dambal

I married R. Kanya Priya in 1999 who is a commerce graduate. It's been 22 beautiful years being with her.

We have three beautiful daughters. The oldest one is R. Shruti, aged 21 years who is completing her graduation in B Sc. Home Science from Mount Carmel College.

Second & third daughters are twins R. Yukti and R. Vriddi, aged 15 years. They are studying in 10th standard in Sandeepani Niketan School in Sanjaynagar.

Rtn. Anil Sharma

I have a BSc from Calcutta University , PGDPM from NIPM , Company Secretary -Inter and have over 20 years of experience in the Healthcare Industry.

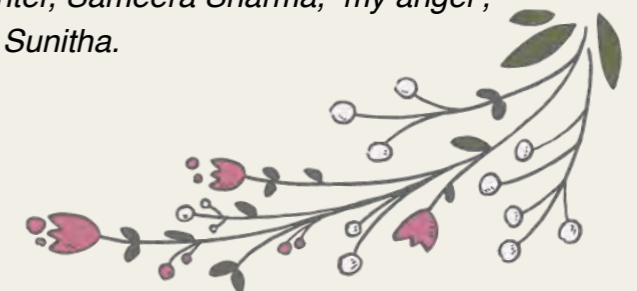

I worked the first 6 years in AstraZeneca, a Pharma MNC and 1 year in Merck Sharp and Dohme, covering the Bangalore market. Moved to medical consumables in 2007 for 3 years with Becton & Dickinson and then 10 Years in 3M India , managing Karnataka, Kerala and Tamil Nadu sales for infection prevention at healthcare facilities.

Started my own business venture - SLN Ventures from March 2020 in the Healthcare segment.

My hobbies are making friends, travelling, badminton, watching movies and series and having fun.

I'm happily married since 2005 to Veena Sharma. A very enterprising human being, she works in Alcatel Lucent Enterprise. Daughter, Sameera Sharma, my angel , was born in 2007 . She is currently studying in 9th standard at Daffodils English School. Staying with parents, S L Narayana and Sunitha.

Working towards becoming an agriculturist and traveling across the beautiful world.

Rtn. Pushpalatha G.

Pushpalatha. G. L.LM.M.Phil, (Ph.d) In Law, am a practicing Advocate. I have worked as a Lecturer at Raichur Law college and been a Guest faculty in Medical and Engineering colleges in Raichur. I have presented papers on various subjects of law at national and international seminars.

Married to late Sateesh.V. who was a leading Advocate at Raichur. He too was Rotarian and Past President of Raichur Rotary club. We had an office with more than ten Juniors. After his demise I have shifted to Bangalore.

I am blessed with a son, Anmol, who is currently pursuing his M.B.A.

Rtn. Col. Haridas Bhaskaran

Rotarian Colonel Haridas Bhaskaran (Retd.)

A Mechanical engineer from Bangalore, an Army veteran with 31 years of service residing at Sundarnagar with family.

Family details:

Wife : Sujatha Haridas - Working at New Cambridge as a high school teacher.

Son : Vivek Haridas - A financial analyst with JP Morgan.

Daughter-in-law: Pooja Vivek- An internationally certified Bridal Make-up artist with training experience at Zorain's studio, Bangalore. Currently pursuing the role of a freelancer.

Daughter : Ashwathy Haridas - A software developer with Phillips.

Rtn. V. G. Sriedhar

I am Sriedhar Ganapathy I'm running a company by name Shree Murugan Fire Services, which deals with Fire Fighting equipments.

My wife, Kamakshi Sriedhar, is running a catering business which supplies food to senior citizens.

Our son Suryanarayanan has completed engineering in Aerospace from Jain University Bangalore, and is helping us with our business.

Rtn. Sandeep Yadav

I was born and brought up in Bangalore, did my Engineering and MBA from MSRIT, Bangalore. I am the Managing Director of Manor Construction in Yelahanka New town. My wife, Nagashree G.V works as Product Owner in Philips. My son, Kashish Yadav is studying in grade 1, Trio World School. Interested in movies and travelling, photography etc.

Since my grandfather is a farmer, seeing a farmer's life and their struggles, I always had a feeling to do good and give back to society. So I decided to join Rotary.

I am attached to Rajmahal Vilas , since I spent my childhood in this area and love the members a lot.

Rtn. Sanjeevi Singh

I have a Masters in Business Administration (MBA) from the University of Madras. With more than 20 years experience in the travel industry, we started IVS Holidays in 2014, a proprietorship firm with a mission to provide personalised and customised travel needs to the traveller. Our vision is to make all people travel across the globe and cross boundaries with expertise guidance and knowledge.

My hobbies are reading, painting, drawing, traveling, trekking, surfing the net, voracious to learn new things.

Languages: English, Hindi, Kannada, Tamil and Telugu

My husband, Kaviender Singh is self-employed. He owns a company called International Creative Services dealing with corporate gifting. Daughter, Meloshini Singh is studying in class 8 in Airforce Hebbal School.

Rtn. Vidyavathi Sagar

Vidya has been associated with the Indian Space Research Organization (ISRO), and more specifically with the ISRO Satellite Centre (ISAC) for over 30 years now. Vidya has co-authored many Scientific Papers, Manuals and Satellite Configuration Documents that are "highly classified" in nature. She was one of the key personnel responsible for the success of India's First Small Satellite - HAMSAT and various other crucial missions of ISRO like, CARTOSAT, ANUSAT, ASTROSAT, CHANDRAYAAN, MANGALYAAN.

Vidya has been on ISRO's Scientific and Cultural Committees for various National and International Symposiums like the UNESCAP Meet, National Science Congress, National Science Day where she had led ISRO to gain laurels. She has been recognised by the Govt of India, Sri. APJ Abdul Kalam and Sri. Atal Bihari Vajpayee for her dynamic contributions to Space Science.

Vidya was awarded :

- *"President's Guide" Medal with maximum number of Individual Badges, representing Karnataka*
- *"Best Actress" (thrice) at the State Level Drama Competition*
- *"Dynamic Leader" by CII for her PR skills in handling International Scientists and Agencies*
- *"Outstanding Contribution to Space Science" by the Space Officers Association*
- *"Women Achiever Award" by WOW (Women of Wonder), Lions Club Bangalore and recently by the Stalwarts of Tamil Nadu Politics*

Vidya is also a sportsperson who has won championships in badminton. She is also a karate Black Belt master. Vidya is also working at pursuing her dream of "adopting" elders whose children have no time for them and aims at building a "peaceful pass-away home" for them.

The Rotary, Charity personified

We, the Rotarians, swivel the world in prevalence
In our philanthropic direction of benevolence
Rotarians speak the language of Love
Like a gritty messenger called Dove
Love is personified here in the domain of Rotary
Where we subsist as a devout Votary

Where are we heading with Grace
Do we call ourselves intellectual Race
We guarantee the food for tomorrow
When the society fails to console the peoples' sorrow
The Rotarians, extend the arm of benefaction
See that all the sapiens are asleep with satisfaction

We, the Rotarians, speak of Love
For,
Love springs Love, in abundance
Rotary Club believes in Transcendence
We spread the Philosophy of giving
While we extend the message of Loving

The Rotary deals in human values
The members pacts with Charity intrigues
Lets speak of 'giving away'
Considering it the noblest way
Yes! We do give ourselves to the core
We adhere to what we swore

**ROTARIANS REDEFINE CHARITY
LOVE IS OUR LOGO
CARE IS OUR BADGE
CONCERN IS OUR MOTTO**

Thanksgiving

*I would like to thank President **Rtn. Bharath Asuri** for the opportunity to edit this coffee table book commemorating the silver jubilee year of **Rotary Bangalore Rajmahal Vilas**.*

President Rtn. Bharath Asuri's vision of bringing out a coffee table book is remarkable because not only does it give us a moment to take pride in our club's past laurels but also reflect on future plans and goals.

*My gratitude to **PP Rtn. Dr. Anita Shah** for leading the committee efficiently in order to make this book happen, and to **PP Rtn. Rajaram Krishnamurthy** for his invaluable guidance and help with acquiring relevant information.*

*I'm grateful to **Rtn. Vinod Singh** and **Rtn. Sanjeevi Singh** for their persistence in chasing club members to send their family details, and **PP Rtn. Surendraa Singhvii** for relentlessly pursuing members to sponsor the book generously.*

*My sincere thanks to **Rtn. Sunder Prakash** and **PP Rtn. Mahadev Dambal** for their constant motivation, and to **Rashmi Swamy** for her invaluable assistance right from getting content, providing creative insights and designing the layout of the book.*

Last but not the least, I thank each and every member of the club and their families for their cooperation and patience, in making the book a success.

If we have missed acknowledging anyone, please know that it is entirely by oversight, and that we value your contributions immensely.

It's been an honour and privilege to document the life history of this wonderful club since its inception to the present, a young twenty-five-year-old bubbling with energy and enthusiasm.
