Rotary Bangalore Rajmahal Vilas Bulletin •  
Club No. 31297 • RI District 3190

Vol 26 - Issue 4  
31st October 2021

## President's Message

Greetings,

“I can do things you cannot, you can do things I cannot; together we can do great things” - Mother Teresa

Rotary is a great platform for like minded individuals to dream of things that were near- to impossible and still make it happen. One such story is the eradication of Polio. If there is one thing that every Rotarian is proud of is the fact that together each one of us contributed to the phenomenal achievement of eradicating polio from the face of the Earth. Barring a few regions we are proud that Polio has been eradicated from all countries. This would not have been possible without the dedication, foresight, planning, advocacy and support from the Rotarians.

24th October is observed as the World Polio Day and Rotary clubs across the world have created mega events to create awareness and put a spotlight on Polio. District 3190 also had a series of events with a candle light walk and huge banners, rides etc. We are happy to have participated in the same and thank all the Rotarians who took part in the events.

October has been a phenomenal month for our clubs with lots of events, talks and service activities. I look forward to more exciting days and thank each and every member for their support.

Rtn. Shankar Subramanian  
President 2021-22

## CLUB ACTIVITIES

### Speaker Meeting - Inclusion with Sign Language by Radhika Poovayya | Friday 1st, 2021

The deaf are left out of our society as there is low awareness on sign language which is the only mode of communication for them. In developed countries, the scenario is different with sign language interpreters present in schools / colleges and other forums. This helps the deaf person to feel included and achieve his/her potential in all walks of life.

September is celebrated as Deaf Awareness Month. In an effort to bring more awareness among our club members and community, our club member Rtn. Radhika Poovayya, Director of Samvaad Institute of Speech and Hearing, addressed us on the importance of Inclusivity with Sign Language.

### Club Assembly (Hybrid) | Friday 8th October, 2021

At the club assembly the Project Directors updated members on the projects done so far and President Shankar Subramanian talked about those scheduled ahead.

### Launch of Girls on Wheels Photography Competition | Sunday, 10th October, 2021

International Fellowship of Rotarian Photographers (IFRP – India) along with Rotary International District 3190, Girl Empowerment – Dist. 3190, and Public Image – Dist. 3190 launched a fundraiser on October 10th, 2021, by hosting a global photography competition, which will go on until December 15th, 2021.

The net proceeds from the registration fees of the photography competition from the participants will be deployed for funding the “Girls on Wheels” program under RID 3190 initiative. The project aims to provide 1,000 bicycles to school going girl children in the rural areas.

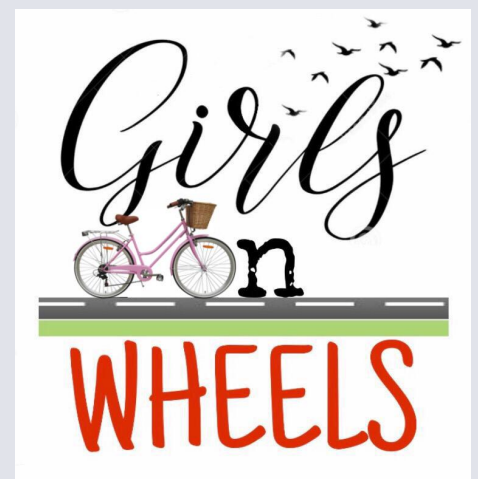

This will empower the girl children to continue their education, thereby making a difference in school drop-out rates

The photography contest aims at bringing out creativity and highlighting various themes of girl empowerment. It is open to all photographers and hobbyists.

Category/Themes: Open Colour, Monochrome, Wildlife, Travel, Girl Empowerment

Deadline: Midnight 15th December 2021

## Polio Awareness Drive | 24th October 2021

A polio awareness campaign, under the disease prevention and treatment focus area, was arranged from Freedom Park by the district. Our club members, headed by Rtn. Anita Shah, participated in the World Polio Day drive and Rtn. Shanmugam's participated in the motorcycle rally for End Polio Now signature campaign, flagged off from Town Hall. Rtns. Usha Medina and Sundar Prakash helped in the eye screening camp held as a part of the World Polio Day campaign, at the Samsung Opera house.

## Club Activities

### Rotary Action Group for Avoidable Blindness | 24th October 2021

Rtn. Usha Medina and Rtn. Sunder Prakash attended the inauguration of the new RAG for Avoidable Blindness.

### Club Assembly (Online) | Friday 29th, 2021

A special club assembly was held to cast the vote for the DG Nominee Designate 23-24.

The DULT-SuMA project progress and details were discussed with the club along with the Diabetic Retinopathy camp launch.

## Service Activities

### Laptop donation | Saturday 2nd, 2021

On the occasion of Gandhi Jayanthi, we also handed over a laptop to Ms. Supriya who is doing her second year Chemical Engineering. Supriya is the daughter of a home guard who was deployed on Covid duty. She had difficulty in attending college which was online, and she did not have a laptop nor could her parents afford one. We thank Mr. Hari Reddy who helped source the laptop for her.

### Ration distribution | Saturday 2nd, 2021

We distributed blankets and groceries to the underprivileged under Project Warmth and Zero Hunger to 20 beneficiaries in and around ward 18/19 with the support of social worker Teja.

We thank the following Rotarians for the support during the project: Rtn. Ravi Arora (for organising all the groceries)

Rtn.Kirti Mehta

Rtn. Padmanabha Rao

Rtn.Sarangan V.T.

Rtn.Rajaram Krishnamurthy

It was distributed by two-wheelers in the small bylanes of ward 18/19. We would also like to thank Ms. Renu Appachu founder NGO Jagruthi, for sponsoring the groceries and Ms.Teja from NGO Sangama for identifying the beneficiaries.

### Project Warmth | Sunday 3rd, 2021

We partnered with other Rotary Clubs, for the project - Project Warmth. The inauguration of the Project was held at Cafe Reset, Koramangala.

### Sevaa Vandanaa | Sunday 3rd, 2021

30 Covid Warriors were felicitated by our club as part of a multi-club project for their tireless work of saving 1000's of lives in the pandemic from the District 3190's vocational service program.

### Koira Lake overflowing - Bagina Pooja | 8th October 2021

Koira lake was full and overflowing due to the good rainfall received in the month of October. On this happy occasion of the Koira lake overflowing post our rejuvenation efforts, the farmers and their families at Koira held a Bagina pooja to mark this event. The Devanahalli Tahsildar graced the occasion.

## Rotary and the Fight Against Polio

**Rotary is an international community that brings together leaders who step up to take on the world's toughest challenges, locally and globally.**

The eradication of polio is one of our longest standing and most significant efforts. Along with our partners, we have helped immunise more than 2.5 billion children against polio in 122 countries. We have reduced polio cases by 99.9 percent worldwide and we won't stop until we end the disease for good.

### **The History**

Take a look at the recent history and major milestones of polio.

#### **1894**

The first major documented polio outbreak in the United States occurs in Vermont; 18 deaths and 132 cases of permanent paralysis are reported.

#### **1905**

Swedish physician Ivar Wickman suggests that polio is a contagious disease that can spread from person to person, and also recognises that polio could be present in people who show no symptoms.

#### **1908**

2 physicians in Vienna, Karl Landsteiner and Erwin Popper, discover that polio is caused by a virus.

#### **1916**

A major polio outbreak in New York City kills more than 2,000 people. Across the United States, polio takes the lives of about 6,000 people, and paralyses thousands more.

#### **1929**

Philip Drinker and Harvard University's Louis Agassiz Shaw Jr. invent an artificial respirator for patients suffering from paralytic polio — the iron lung.

#### **1955**

A vaccine developed by Dr. Jonas Salk is declared "safe and effective."

#### **1960**

The U.S. government licenses the oral polio vaccine developed by Dr. Albert Sabin.

#### **1979**

Rotary International begins its fight against polio with a multi-year project to immunise 6 million children in the Philippines.

**1985**

Rotary International launches PolioPlus, the first and largest internationally coordinated private-sector support of a public health initiative, with an initial fundraising target of US\$120 million.

**1988**

Rotary International and the World Health Organization launch the Global Polio Eradication Initiative. There are an estimated 350,000 cases of polio in 125 countries.

**1994**

The International Commission for the Certification of Poliomyelitis Eradication announces that polio has been eliminated from the Americas.

**1995**

Health workers and volunteers immunise 165 million children in China and India in 1 week. Rotary launches the PolioPlus Partners program, enabling Rotary members in polio-free countries to provide support to fellow members in polio-affected countries for polio eradication activities.

**2000**

A record 550 million children – almost 10% of the world's population – receive the oral polio vaccine. The Western Pacific region, spanning from Australia to China, is declared polio-free.

**2003**

The Rotary Foundation raises \$119 million in a 12-month campaign. Rotary's total contribution to polio eradication exceeds \$500 million. Six countries remain polio-endemic – Afghanistan, Egypt, India, Niger, Nigeria, Pakistan.

**2004**

In Africa, synchronised National Immunisation Days in 23 countries target 80 million children, the largest coordinated polio immunisation effort on the continent.

**2006**

The number of polio-endemic countries drops to 4 - Afghanistan, India, Nigeria, Pakistan.

**2009**

Rotary's overall contribution to the eradication effort nears \$800 million. In January, the Bill & Melinda Gates Foundation pledges \$355 million and issues Rotary a challenge grant of \$200 million. This announcement will result in a combined \$555 million in support of the Global Polio Eradication Initiative.

**2011**

Rotary welcomes celebrities and other major public figures into a new public awareness campaign and ambassador program called "This Close" to ending polio. Program ambassadors include Nobel Peace Prize Laureate Desmond Tutu, violinist Itzhak Perlman, co-founder of the Bill & Melinda Gates Foundation Bill Gates, Grammy Award-winning singers Angelique Kidjo and Ziggy Marley, and environmentalist Dr. Jane Goodall. Rotary's funding for polio eradication exceeds \$1 billion.

### The Angel

Once a time,  
There was an angel  
Who would fly past you  
And apply some hair gel.

She would cheer you up  
Cuddle you like a pup  
Take care of you like a mother  
Which can be done by none other.

The orphaned children  
Would enjoy her company  
She would join with them  
And create a symphony!

But once, the day came  
When she had to leave the world  
The children cried in vain  
When they heard their mother was going away.

So, the world fell  
Into a dark whirlpool  
Where there was no happiness  
No joy and no glee

Everyone was waiting too see  
What would become  
Of the world without the angel  
They realised the importance of her  
And were also surprised that only one person could handle the world!

Then back the angel came  
To the pleasure of all  
They celebrated the moment  
With a gala ball!

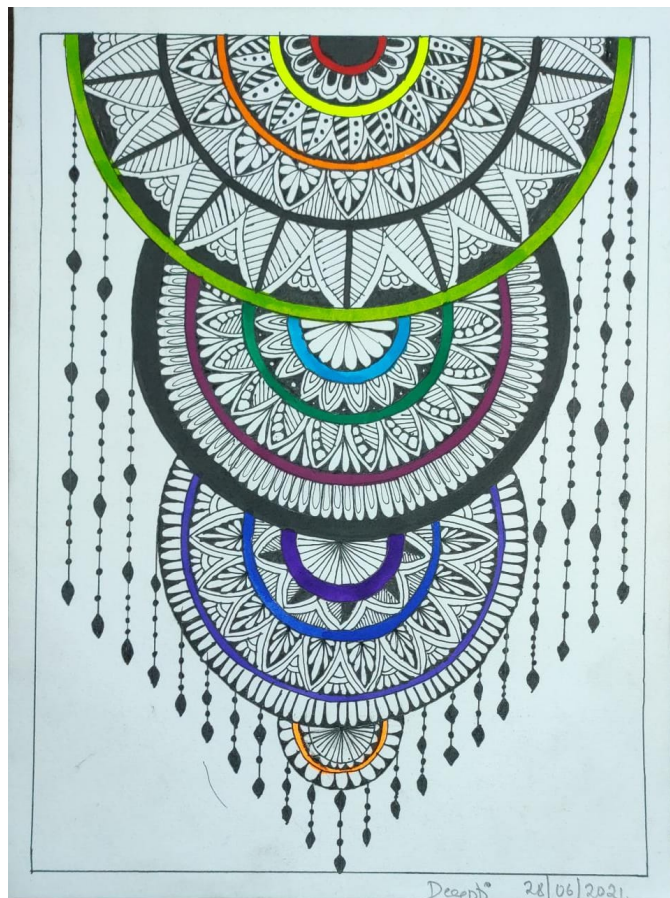

Then the world rejoiced with the angel and lived happily ever after.
