Rotary Rajmahal Vilas Bulletin •
Club No. 31297 • RI District 3190

Vol 25 - Issue 3
30th August 2020

Presidents note

Dear fellow members of Rotary Rajmahal Vilas,

We have had a good month of August. The month started off well with Rtn. Shankar Subramanian reminding and educating us of a Team spirit and how to build upon it, not only in our professional lives but also in Rotary.

In that spirit, the TEACH team under the leadership of Rtn. Mahadev Dambal, we were able to distribute 21 tablets pre-installed with the syllabus for the 10th standard children of GHS Baccahahalli school, which was the need of the hour, as the pandemic has affected the education of many. We were able to play a part in getting study material accessible and hope for it to be used for 3+ years.

Our Rotarians have also volunteered in the BBMP efforts in ward 18 & 19 to help a pilot project to decentralise and provide local access to care and treatment protocols.

Our signature project of Lake rejuvenation also received much press coverage and the efforts have enabled farmers at Koira to start growing paddy again after a span of 5 years. We do reap what we sow, and wish to congratulate Rtn. Sanjay Krishna and all those involved on this good news, and may this project get more support from all of us and let the message be spread to those around you.

At the club level, we were able to have joint meeting with other clubs, as well as garner public image with a successful musical night with Narssihman Kannan and a tribute to Kishore Kumar. Our Public Image Director, Rtn. Rajaram hopes to make this a monthly event for the relaxation and enjoyment for you and your families to enjoy together.

We are also looking at the possibility of having one physical meet in the month of October, likely in an open area, with due prudence to the situation.

We might be missing each other in person, yet let our spirits remain intact to do more good work during these times.

My thoughts and prayers for everyones good health. Stay safe and take care. God bless.

- Rtn. Bharath Asuri

Zoom Meetings in August 2020

TEAM BUILDING

Rotary Bangalore Rajmahal Vilas

Working in a successful team, or a high-performing team, can be an exciting and empowering experience. When a team is working well, each member knows that he or she is part of something bigger than the individuals involved - that the team is greater than the sum of its parts.

This Friday we will have a Team Building session based on a powerful team building model that can help people in Business and in Rotary.

Popular singers Shruti Bhide and Hitesh Mehta featured in the cultural evening organized for all Rotarians, Anns, Annets, Friends & Relatives. During the Tambola, Rtn. Ravi Arora, secretary Rtn. Rajgopal Hedge and Rtn. Sabareeshan brought cheer to the club by winning cash prizes.

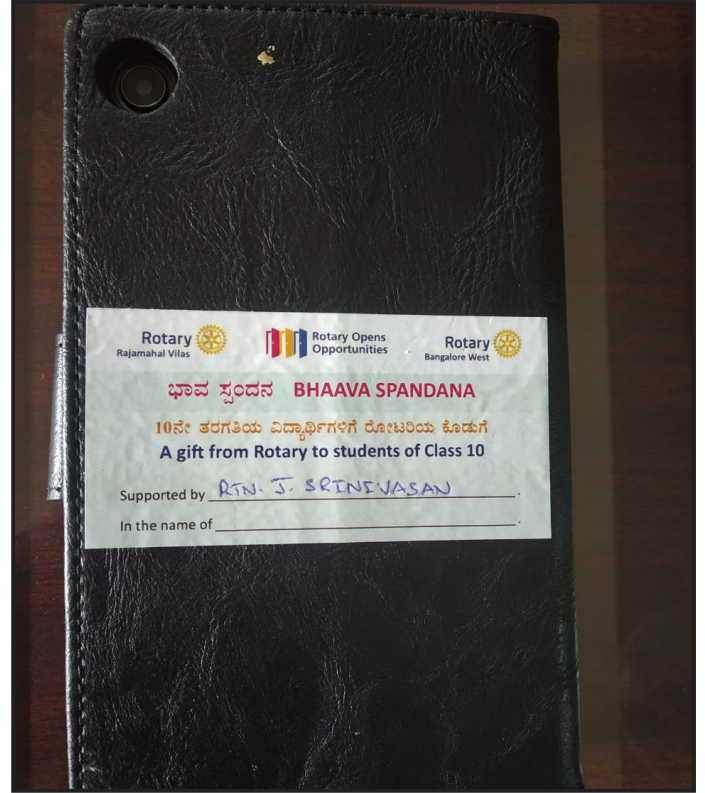

Service Projects

Distribution of Tablets to school children

15st Aug, 2020

On August 15th, President Bharat Asuri along with several prominent members of the club took part in the Flag hoisting celebrations at GHS Bacchahalli, Devanahalli Taluk. Under the initiative of Rtn. Mahadev Dambal, Director -TEACH, the club in conjunction with Rotary Bangalore West, handed over 21 tablets to the school. The tablets, to be shared by two students, has been integrated with the 10th std. school syllabus.

Decentralisation of COVID-19 management 15st Aug, 2020

In a much-needed move, our club joined hands with BBMP to form a work force to help residents of the area in ward 18 and 19 navigate the pandemic. In this pilot model to de-centralise Covid management, a helpline number was created, which residents could call anytime to seek guidance on testing, getting an ambulance and finding appropriate covid care centres or hospitals. Our members, Rtns. Rajesh Ghashi, Ravi Arora, Anil Sharma and Shankar Subramanian and Rajaram Krishnamurthy, are volunteers. They also conducted door-to-door surveys to check for any co-morbid cases who may need testing on priority.
