Presidents note

Dear Fellow members,

Highlight of October month was the District Awards where our club won great laurels from the District thanks to IPP Rtn. Sanjay Krishna and team. We also had excellent talks on Product design by Suresh Navandar and about RERA by Suhail which was most useful for property buyers. Month end was a good musical by Samanvitha. We also participated in the World Sight Day program by the District.

The bar for the present team has been set quite high by our previous team and we need to actively work on our goals.

From the Editors Desk

In line with the Rotary motto 'Service above self'- Rotarians serve and give back to society selflessly and many of our Rotarians have exemplified this. It is indeed telling on their unconditional dedication and hard work that so many awards were doled out to our club and our deserving members.

Let's keep this momentum rolling and continue our efforts to keep the club's flag flying high.
