## Presidents note

Dear Fellow Rotarians,

We are now completing the first half of the Rotary Year. I wish all Rotarians and their families good health happiness and prosperity this coming year 2021. We are started the New Year with a physical meeting, a family potluck dinner get together on 2nd January.

Our club has bagged the prestigious DULT (Department of Urban Land Transport) SuMA (Sustainable Mobility Accord) Grant of 50 lakhs for implementation of environmentally friendly Mobility solutions in the ward 18/19 area. This will be the biggest project our club has ever undertaken and comes with numerous challenges and will be a learning experience. I am happy to say that after a very competitive and long short listing procedure, we are the first Rotary Club in district 3190 to have obtained such a grant.

I would also make a gentle reminder to all members to pay their second half dues. May the New year be blessed for all.

- Rtn. Bharath Asuri

## The 4-WAY TEST

The 4-Way Test lists the **Guiding Principles that set the ethical standards for a Rotarian**. They serve as a foundation for our relationships with each other and the action we take in the world.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it Build GOODWILL and BETTER FRIENDSHIPS?

## From the Editors Desk

We have completed the first half of the Rotary year. In spite of the many restrictions, we found many ways to connect virtually through musical events, Covid relief and zoom meetings. There's hope now that 2021 will bring opportunities to connect in person.

Here's wishing everyone good health, cheer and peace in the new year.
