

RI PRESIDENT'S MESSAGE

Dear Fellow Rotary Leaders,

As we embark on a new year of service, let us take the opportunity to reflect upon the gift of our membership in Rotary.

As club and district leaders, you have such an important role to play.

You can do so much to help create club experiences that are welcoming,

inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs. Over and over our surveys find that member comfort and care is the single greatest driver of member satisfaction and our most powerful tool in driving members retention.

So, we need to put a special emphasis on membership care and belonging. And that work begins with listening. We need to understand why our members took the big leap and joined us – and we need to know what they expect from us. What do they want out of their Rotary involvement and what we can do to help them get more out of their Rotary experience? We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference.

We don't imagine yesterday, we imagine tomorrow. We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace. Each of you has assumed important responsibilities as a member of Rotary and I thank you for your hard work. You have made a commitment to help grow Rotary, to adapt to the digital future and to make Rotary more appealing to future generations.

Your good work will help us serve our communities and help Rotary thrive so we can Imagine.

Rotary.

Warmest regards,

Jennifer Jones

President, Rotary International 2022-23

DISTRICT GOVERNOR'S MESSAGE

Dear Star Walker President,

Congratulations on taking over the mantle of leadership of your club during the 'Imagine Rotary' year!

Through you, Sunanda and I would like to greet each one of the wonderful members of your club who must be equally excited to stretch their imaginations and contribute to the success of the club in the landmark year when Rotary International welcomes its first Lady President in Jennifer Jones. It is said that 'Opportunity Strikes Once' and you have got this unique chance in life to lead your club in making a huge difference in lives of people. Whether it is empowering a girl child or needy women, emphasizing Rotary's focus on Diversity, Equity & Inclusion, taking up meaningful service projects, conserving the environment, increasing membership, supporting the Rotary Foundation or working with Rotaract, we need to imagine novel ways to expand our reach and increase our impact in the society.

While you enjoy the power of support of your club members, I assure you that the District team will walk hand in hand with you to make this last year of the combined District 3190 a spectacular success in every way.

Warm regards,

Rtn. Jeetendra Aneja,

Club President's Message

My Dear Fellow Rotarians,

It gives me immense pleasure to lead my Club, Rotary Bangalore Rajmahal Vilas as the 27th President. I bring greetings to you from our DG Rtn. Jeetendra Aneja and First Lady Rtn. Sunanda Aneja. My special respect to our Charter President Rtn. S.K. Bajaj and Charter Member Rtn. Kirti Mehta for being with us to guide at all times. My predecessors have left behind a rich legacy which will be a mammoth task for me to uphold but at the same time I am equally prepared to perform my duties with aplomb. I thank my Board and my fellow Rotarians for the overwhelming confidence reposed in me to lead the Club during the Rotary Year 2022-23. It will be my humble approach to create a Club centric approach and not a President centric approach in administration and execution of projects.

StarWalker District Governor Rtn. Jeetendra Aneja has shared his vision for the Rotary Year 2022-23 with special emphasis on Diversity, Equity and Inclusion (DEI) and Women Empowerment. A Chairperson has been identified in this regard to impart focussed execution. All our long-standing projects will be given highest priority to make them more sustainable and funded. One of the biggest challenge we are facing at Rotary Raj Mahal Vilas today is that we have great ideas and thoughts around projects we wish to execute but we need the means to execute these projects by building a healthy corpus of funds for the club. I invite all the 65 members of the club in expanding our member base by referring at least 1 new member to the club by the end of this year. On the membership front we shall strive to add at least 20 more members in the current year. Foundation giving will get a major fillip this year with at least 2 Major Donors and 6 PHF's. Our Board members are very highly talented and well qualified Rotarians who am sure will give best performance in their respective avenues or focus areas. Fellowship and bonding amongst Rotarians will be a major focus during RY 2022-23 and I promise a very fun filled family get together every month.

As StarWalker President and with the international theme of Imagine Rotary, we have a fantastic rotary year ahead and let us make it count on all accounts.

Wishing you and your family a very happy, healthy and prosperous life at all times.

Warm regards,

Rtn. Vinod Singh Thakur,

President - 2022-23

RB Rajmahal Vilas.

Editor's Note

Hai dear fellow Rotarians!

What a wonderful way to start 2022-2023 Rotary year! It all began with a blood donation camp on the 1st of July which saw all the enthusiasts contributing to the cause. It is interesting to note that a few local citizens volunteered to donate in response to our posters and banners.

All the members exhibited intense gusto in the events happened so far.

I thank all of you for your fervor and interest and expect the same in the times to come.

Please contribute articles like poems, snippets, anecdotes, opinions and experiences to make the bulletin more readable and enjoyable. This is more than a news bulletin and worth having a copy all the while.

Stay safe and healthy,

Yours in Rotary service,

Dr A Srinivas Vasudev
