Club President's Message

Dear Fellow Rotarians,

It is been a great honor to take up the responsibility of leading our Vibrant Club (RMV) as its 28th President (RY-23-24).

I thank all the club members for reposing faith in me and entrusting me with this responsibility. I and my team are trying our best to serve our club and our Community in the Rotary Year 23-24. Rotary International President Rtn. Gordon R. McNally has envisioned the theme of "Create Hope in the World". We as Rotarians, can do a lot to create hope in the society we live in and thus make a difference to this world through our evergreen motto of Service above Self. I am confident that, with the support of our club members, we should be able to Create Hope in the World through our Selfless Services befitting a Rotarian.

Our focus areas, this year have been Membership Development, Mental Health and Well Being, adaptation of an Old Age Home, Lake Rejuvenation under the avenue of Environmental Service, Maternal and Child Care, and Elderly Care. I request all our club members to come forward and support us in our Mission of Creating Hope in the World by participating in all club projects under different avenues of Services.

Thank you

Rtn. Pranhit Dutta

LIFE'S A DANCE

An old man was walking on the beach one morning after a Storm. In the distance, he could see someone moving like a dancer. As he came closer, he saw that it was a young woman picking up starfish and gently throwing them into the ocean.

“Young lady, why are you throwing the starfish into the ocean?”

“ The sun is up and the tide is going out, and if I do not throw them in they will die, “ she said.

“ But young lady, do you not realize that there are many miles of beach and thousands of starfish? You cannot possibly make a difference.”

The young woman listened politely, then bent down, picked up another starfish threw it into the sea, and said

“It made a difference for that one”

We all are like “a woman on the beach” in Rotary doing our part and making a difference in society. Let's make more difference get a smile in someone's life and make a better society.

Thank you

Sandeep Yadav
