SERVICE ACTIVITIES RY 2024-25

Our signature project “HP ALFA DIGITAL CLASSROOMS”

HP ALFA (ACCESSIBLE LEARNING FOR ALL) DIGITAL CLASSROOMS

Project Summary:

It aims to develop digital infrastructure within rural Government schools and empower teachers to practice technology-led teaching to help integrate technology in the classroom. It will help the teachers incorporate these practices, in lessons, for a profound demonstrable impact on school-going children, enabling them to continue to walk their path of discovery and sustainable growth in life.

CAPEX – HP India:

HP is providing the complete CAPEX for this project under their CSR activity and in partnership with the NIIT Foundation. The products include:

- Smart TV, Multifunction Printer, Webcam, Chrome Book, HDMI Cable
- Education Content for 8 – 12 grade students (Science, Kannada, Maths, English and Life Skills)

IMPLEMENTATION:

We are implementing this project in the following rural districts:

Chikkaballapur : 19 schools/colleges with 26 Digital Classrooms

Mandya : 3 schools/colleges with 3 Digital Classrooms

PROJECT STATUS:

Installation and commissioning of the Digital Classrooms have been completed and 2 sessions of Teacher Training were held on Aug 26 and Aug 31 in partnership with the NIIT Foundation. The project is now complete, and schools have started using the Digital Classrooms.

IMPACT:

A total of 2750 rural students are going to benefit from this project and our Club members will be monitoring the same over the next year and keep updating the outcome.
